March 19, 1957

Fourteen members were present at the regular monthly meeting of the Woman's Auxiliary of Christ Church, held on Tuesday, March 19, in the Neighborhood House. A welcome was extended to all and the meeting was opened at 7:30 P.M. with prayers by the President and the Lord's Prayer repeated in unison.

The ~~meeting~~ Minutes of the February meeting were read and approved. Treasurers' Report showed a balance of \$261.74 after all our Diocesan Assessment and committee contributions had been paid, including \$5.00 to the World Day of Prayer, which is included in our Budget, and which was authorized by our President since the last meeting. Mrs. Schofield and Miss Pfluger were sustained in the payment of this contribution.

Mrs. Burleigh having presented us with a china cabinet in which to display some of our china cups and saucers, and having declined to accept any payment, our Corresponding Secretary was asked to send a letter of appreciation to Mrs. Burleigh.

Report on the Lenten Luncheons to date was called for, and in the absence of the Chairmen, Mrs. Masterson reported that everything was going along nicely and that a very nice profit is shaping up.

The Supper and Card Party was discussed at length. Payment of \$1.28 was authorized for tickets mimeographed by Mrs. Masterson. It was decided that if anyone was unable to come for dinner, but would like to come for the card party afterward, a charge of 75¢ would be made. If we are notified in advance, a fish substitute will be arranged for any who do not eat meat on Friday. Two prizes were received by Miss Harvey. Informal Notes were suggested as table prizes. Committee asked to give the matter some thought and have their suggestions to the chairman as soon as possible.

250 tickets had been made up and were distributed to those present. Suggestion that 2 tickets be mailed to members of the church who might be interested in coming, met with approval, and a committee appointed, with Mrs. Herbert as Chairman, to take care of the mailing and keep record of the tickets so distributed.

Mention was made of Coffee Hour on March 10, at which our members were asked to bring cookies. Only Mrs. Milford and Mrs. Gough had complied, and we ran short of cookies. Motion made that Mrs. Masterson purchase cookies and have them on hand for future occasions, cost to be paid from the Woman's Auxiliary Treasury. We shall have a High Tea on Palm Sunday, for the Bishop, Rector and Confirmation Class, and all the ladies are asked to bring cookies, cakes, etc., for that affair. April 14.

The next regular meeting of the Auxiliary falls during Holy Week, so by motion properly made and seconded, it was voted to hold our April meeting on the 4th Tuesday, April 23.

Plastic Demonstration was successful - \$19.82 realized for Amortization Fund. Tuesday, March 26 is usual day for Business Men's Lunch. We do need help for serving.

Grant's Store at 11th & Market Sts. will have a 10% Discount Night from 6:30 to 9 on all items. There will be Door Prizes. Suggestion was made that any of our members who are in town on that night, April 2 (Tuesday) and will buy items could give the discount to the Auxiliary.

Sewing Committee, Mrs. Herbert Chairman, reported she had finished 17 articles and that she had brought them in, wrapped for shipment. A rising vote of thanks was given her for her splendid work. There being no objection, it was voted that the cost of the mailing be borne by the Auxiliary.

Miss Dorr reported on the Diocesan Altar Guild. A meeting of the Presidents had been held to discuss fund raising.

A Cake and Food Sale will be held on Sunday, March 31, in the Neighborhood House, in charge of Mrs. Fodelich and Mrs. Wiley, for the benefit of the Children's Easter Offering for Missions. Donations of all kinds - cake, fruit, foodstuffs, will be appreciated, as well as personal help in making sales.

There being no further business to discuss, the meeting was closed with Prayer by the President.

February, 1957

The regular monthly meeting of the Woman's Auxiliary of Christ Church was held on Tuesday evening, Feb. 19, at 7:30 P.M., with 25 members present. A welcome was extended to all, and the meeting was opened with Prayers by the President, and all joining with the Lord's Prayer.

This being the first meeting since November, the January meeting having been dispensed with because of bad weather, the Minutes of the November meeting were read and approved with one correction - the meetings of the Service League are being held on Thursday, instead of Friday.

Volunteers were urged to offer their services as Recording Secretary, since Mrs. Dorothy Jones had accepted a position which involved evening work and could not serve as our secretary, much as she would like to do so.

Treasurers' Report showed our finances to be in very good shape, with a balance of \$441.72

This being the time our Diocesan Ass^{ss}essment and contributions are due, by motion properly made, seconded and carried, our Treasurer was authorized to send \$31.00 to the Treasurer of the Woman's Auxiliary for our dues, also \$25.00 to each of five committees which we support annually, making a total disbursement of \$156.00.

Appreciation was expressed for the cups and saucers given since our last meeting, and need was brought to our attention for a cabinet in which to place them. By motion properly made, seconded and carried, the Treasurer was authorized to send a check for \$5.00 to Mrs. Burleigh if she would accept it as reimbursement for a china cabinet now in her possession, and which she would be glad to dispose of.

Request was mentioned, from Eliz. Price Martin League for work at Episcopal Hospital. On motion properly made, seconded and carried, it was voted to send \$10.00 for their work and to return the tickets sent us for their annual card party.

There being no objection, all committee reports were dispensed with because of the Plastic Party which was to follow the meeting.

Christian Social Relations Dept. dinner at Y.W.C.A. on March 4 at 6 P.M. at \$2.00 was mentioned. Feb. 28 is deadline, and anyone interested in the subject of Alcoholism and the subject of "Drinking in Daily Life," were invited to attend.

Lenten Lunches was next item of business on the agenda. Mrs. Lea has consented to accept Chairmanship of the Wednesday luncheon group, and Mrs. Sadie Ellis and Flossie Stockman the Co-Chairmen of the Thursday group. Anyone who has free time on Wednesday and Thursday are urged to offer their services for this work.

It was proposed that we have a Roast Beef Supper and Card Party, for the benefit of the Amortization Fund, with all groups in the church to share in the work. This is not a project of the Woman's Auxiliary only, but of all groups. After discussion, it was decided the date would be Friday, May 3. Price \$1.50 for adults, and 75¢ for supper for children under 12. Supper to be cooked by Bessie. Food preparation by Mrs. Ellis and Mrs. Stockman, with all Auxiliary Members assisting. Members of Girls Friendly, Altar Guild and Young Peoples' to be waitresses or waiters, and Jennie Weber to be hostess in charge of serving. Tickets - Mrs. Anna Masterson. Card Party in charge of Miss Pfluger and Friendly. Door Prizes in charge of Mrs. Davis, Miss Hunt, Miss Harvey. Table Prizes - Miss Dorr, Mrs. Schofield, Mrs. Shickner. Publicity, Mr. Robbins and Mrs. Davis. Playing cards and card tables should be brought for party.

Mention was made of the Book Review at Wanamakers on March 4 at 11 A.M., and all were urged to attend, to listen to the review by our Rector.

Sunday, March 10 is the Auxiliary's turn to have Coffee Hour, a special day in honor of members of the Colonial Society. Cookies or cupcakes needed. By motion properly made, seconded and carried, the treasurer was authorized to pay bill incurred for flowers, nuts, candy, etc., for the day.

Mrs. Wm. White, Sr., and Mrs. George Robbins, to be asked to ~~pour~~ pour.

Members asked to help on Tuesday, Feb. 26, at the Business Men's lunch. All who can spare a couple of hours in the middle of the day, asked to be at the Neighborhood House for this work.

There being no further business to come before the meeting, it was brought to a close with Prayer by our President. It was then turned over to Mrs. Thelma Gill, Hostess for the Plastic Party which followed. Sales approximating close to \$125.00 were made as a result of the Plastic Demonstration, and the profit will be in the neighborhood of \$18.00 for the Amortization Fund. Thanks to all who attended and helped make the Party a success.

Refreshments were served, and the assembly adjourned at 10 P.M.

Tuesday, November 20, 1956.

The regular meeting of the Womans Auxiliary of Christ Church was held on the above date with 20 members present. A hearty welcome was extended by the President, after which Mrs. Schofield led the assembly in prayer.

The Minutes of the October Meeting were read and approved.

The Treasurer reported a balance of \$249.48 in the bank account and \$14.00 which had been collected for dues, so that the actual present cash balance is \$263.48.

Miss Bradford, U.T.O. Custodian, was called upon for a report, in order that she might be excused to attend an important meeting. She told us that 69 women of Christ Church had contributed \$175.35, which she had turned in. This does not nearly equal the contributions, either in number or dollars, which had been made by our nearest church neighbor, St. Peter's. It is hoped that more women of our Parish will contribute, so that we will make a better showing at the next ingathering. Miss Bradford told us of the wonderful meeting and beautiful service conducted at the Fall presentation, and of the gold alms basin which was on exhibition.

Announcement was made of Mrs. Gough's operation for cataract; that it had been successful and she was now at the home of her son in Drexel Hill. She sent a message of appreciation for our interest in her welfare as indicated by cards, visits and prayers in her behalf.

Birthday greetings were extended to Mrs. Stotz and Mrs. Weber and "Happy Birthday" sung to them.

In the ~~the~~ absence of the Rector, Mrs. Masterson expressed his regret and extended a greeting.

The Sewing Allotment which we had requested be sent to Margaret Herbert reached her last week. She has 13 articles to be sewn and will do her best in this connection. Mrs. Herbert also reported on the Church Periodical Club, the next meeting to be held November 27 at 11 A.M.

Mrs. Schofield spoke of a new church group being formed, probably to be called the Service League, which will meet on the first Friday of each month, in the day time. This group will take charge of sewing, visiting the sick, relieving guides in the Tower Room, and raising funds to reduce the mortgage debb. In this connection, if there are any members of the Woman's Axuiliary who could spare time to work in the Tower Room for two or three hours any day during the week, their services would be appreciated. See Mr. Robbins for open time.

Since efforts to secure a permanent Recording Secretary have not yet been successful, Mrs. Jean Matlack will continue to serve pro tem. Mrs. Robbins has offered to be Corresponding Secretary and we are appreciative of her willingness to serve.

Miss Pfluger gave a report of the G.F.S. Supper which had been most successful. She also mentioned Christmas packages which they are making up for old folks.

There will be no meeting of the Auxiliary in December, this being the date of the Annual G.F.S. Christmas Party.

The Rector is offering to show colored slides of his trip to Europe. A silver offering to be taken, and money used for Amortization Fund. Possible Date - Dec. 4 at 8 P.M.

The members present at this meeting liked the earlier hour set this month and it was decided to hold future Auxiliary Meetings at 7:30 P.M. instead of 8 P.M. until further notice.

The President proposed that we have a Supper and Card Party in February, preferably Thursday, Feb. 14, which is Valentine's Day, and use the Proceeds for the Amortization Fund. A Roast Beef Supper was suggested, to be served by the Auxiliary Members and Young Peoples' Fellowship. Card Party to follow, in charge of the Girls Friendly. All groups to be asked to support this affair - not only the Woman's Auxiliary - so that a nice sum can be realized for the Amortization Fund. Price suggested \$1.50. Door Prizes solicited, possibly the articles which our members had expected to bring for the Christmas Bazaar. There would be a table prize for each table of cards. Ordering of foodstuffs to be taken care of by Mrs. Masterson. Bessie to do the cooking with such assistance from the ladies as she deems necessary. Jennie Weber to be in charge of serving.

Mrs. Davis is to be asked to announce the supper and card party in several issues of the Beacon - first to keep the date open; then the price, etc., and then ask for donations toward purchase of food; ask them also to bring card tables and prizes.

No report from the Altar Guild except that they are still working on their Sewing Project. Anna May Sweeney had made a beautiful nylon surplice for Mr. Robbins' use.

We were reminded of the Business Men's Lunch on Tuesday, Nov. 27, and the usual volunteers were asked to serve.

Mrs. Davis to be contacted and asked to put another reminder in the Beacon about used clothing for Church World Service. The first appeal had not been supported and we should like to have more garments for this worthy project.

Question was asked as to sponsorship of the Hostess Project at Episcopal Hospital, and it was explained that this is a new undertaking sponsored by the Churchwomen's Club. Any member of our Auxiliary who can spare time to act as a hostess at the Episcopal Hospital during visiting hours, will help greatly in this work.

As there was no further business to come before us, the meeting closed at 8:15 P.M. after Prayer and Benediction.

Tuesday, October 16, 1956

The first monthly meeting of the Woman Auxiliary of Christ Church for the new Fall Term, was held on the above date. The meeting was opened with prayers by the Rector.

A cordial welcome was extended by the President, who hoped that everyone had come back from vacation feeling refreshed and ready to contribute to the success of the Auxiliary projects.

Reading of Minutes of May meeting followed. They were approved as read.

Mrs. Schofield spoke about the Christ Church Plates which are now being sold in the Tower Room at \$2.00 each, saying she had authorized the expenditure for a gross of the plates, since the profit comes to us and we should realize a goodly sum for our Treasury. There being no objection, the President was sustained in her action.

The Treasurers report showed a current balance of \$184.23.

A very splendid report was read from Ida Ford, one of the recipients of a scholarship to the Hood College Conference. Motion made by Miss Washburn, and properly seconded, that a vote of thanks be given Ida for having submitted such a comprehensive report, which had given us much food for thought.

The committee appointed to contact prospective secretaries for our group reported, with regret, that they had been unsuccessful in their attempt. In the meantime we will continue with Mrs. Matlack as Acting Recording Secretary, in the hope that someone will volunteer their services.

An appeal was read from Christ Church Hospital for their Founders Day observance. Motion made by Miss Dorr, properly seconded, that we send \$25.00. Carried.

Similar appeal was read from the United Fund and our President asked all to co-operate by contributing as generously as possible.

The Episcopal Hospital ^{has} started a new Women's Auxiliary, with a committee of Hostesses who will preside in waiting rooms and on wards during visiting hours. They need volunteers and any of our members who have time to devote to this splendid work should contact the committee, thru Mrs. Schofield.

Requests were read for contributions to the Chinese Christian Church, the Co-operative Shop run by the Founders Committee, for the benefit of the Bishop's Fund, the 2 annual Scholarships which we have been giving to the Church School by Mail of the Department of Christian Education. Since these constitute a duplication of assistance given by the church, no action was taken.

New Diocesan Prayer Calendars are now available at 35¢ each.

The Supply Department asked for volunteers to do sewing. Several of our ladies offered their services, and the President was instructed to contact the department for more information as to their needs and the cost of same.

Miss Bradford, our U.T.O. Custodian, reminded us of the U. T. O. Service on November 8 at Holy Trinity Church at 8 P.M. A gold alms basin, never before used except at General Convention, will be used at this Service. Our ingathering will be held prior to this date. 100 new U.T.O. prayer cards are being purchased and will be paid for by the Auxiliary, for distribution among our members.

A letter written by Miss Bradford was read, commending the President for the birthday cup and saucer project, and referring to the set which she had brought from England. Mrs. Kraft also brought a cup and saucer tonight, as did Mrs. Gough, in honor of her daughter Ruth's birthday. We now have 33 sets and they were on display.

The various groups were called upon for reports. There was no report from the Altar Guild, but the Rector called attention to a beautiful Burse and Veil, in white, which was placed on display, it being the gift of the Auxiliary and will be used and dedicated on All Saints Day.

The Girls Friendly are preparing to serve dinner and entertain the Southwest and North Phila. District Conference, to be held at Christ Church on Nov. 13. Several of their members visit Christ Church Hospital guests regularly.

Mrs. Patterson was asked to report on her Christian Social Relations work, but had nothing to offer since the first meeting was not productive of anything new.

A request was received for good used clothing, from the Church World Service Relief Committee, to be shipped November 2. It was properly moved and seconded that we defray the shipping expense to New Windsor. Miss Dorr and Mrs. McClair volunteered to pack whatever is received at Christ Church. The President promised to contact Mrs. Davis and ask that mention be made of the clothing collection in the Beacon.

We were reminded of the Business Men's Luncheon on October 23, and volunteers are needed for serving.

No report from the Bishop White Library Association. Mention was made of the fact that Mr. and Mrs. Gough had served as delegates to the Convocation.

Mr. Harding expressed his gratitude to the Auxiliary for the scholarship given to Ida Ford. He also stressed the Parish Communion Service, Supper and Meeting to be held on November 1, the Feast of All Saints, when we are celebrating the 261st anniversary of the church. The following Sunday, Nov. 4, to be the date of our Every Member Canvass, when at the 11 A.M. service we would have an opportunity to sign our pledge cards.

The Rector suggested a committee on Finance, of which he and the President would be members ex-officio. Miss Washburn was asked to serve as Chairman, with Miss Pfluger and Mrs. Patterson to serve on the committee.

The matter of a Christmas supper and bazaar was discussed at length and many opinions expressed. The Rector felt it should wait until after New Year's because of pressure at this time. Action deferred until it could be learned whether or not Mrs. Ellis and Mrs. Stockman would agree to take over the handling of the supper.

Members were reminded that annual dues of \$1.00 per member are now due for the new Auxiliary year.

There being nothing further to discuss, the Benediction was pronounced by the Rector and the meeting closed.

Concerning May Fete at Episcopal Hospital.

It was decided we should contribute \$10 to the May Fete at the Episcopal Hospital. We were also told that people are needed to read to the guests in Harrison Home. Any one being able to do so is to contact Mrs. Jane Lea.

An appeal was made from the House of Rest for the Aged for the purchase of tickets for a Card Party 5/3. It was moved and seconded that we send \$5.

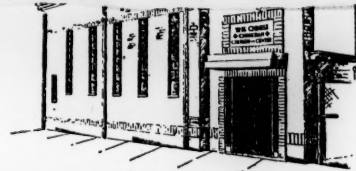

An appeal from the Chinese Christian Church and Center was read. If the Church contributed to this cause the Auxiliary decided it would not, as it would be a duplication. The Rector told us the Church is contributing.

A letter was read asking if we would like to participate in a panel meeting on 4/22 at the New Hope A. M. E. Church, 251 N. 2nd St. It was decided we would ask Mrs. Patterson if she would care to represent Christ Church.

The 82nd Annual Meeting of the Woman's Auxiliary to the Natl. Council was brought to our attention, to be held 5/21, 10:30 to 2:30 at the Episcopal Academy.

Dear Friends:

The Episcopal Co-operating Committee has a story to tell and a plea to make. We commend to your earnest consideration the enclosed statement concerning the work of the Chinese Christian Church & Center, with which we are affiliated. We hope that your Auxiliary will be able to help us support this work by a contribution of \$5.00 or \$10.00, before July 1st, if possible; or at any time in this calendar year that may be convenient. We hope that you will become interested to renew this contribution from year to year.

Please use the enclosed form and return envelope. Contributions should be made payable to Mrs. Henry J. Gideon, Treasurer, and sent to the Church House, 202 W. Rittenhouse Sq.

We are trying to raise \$3200.00 as our share of the total budget of this work for the Chinese this year. Your cooperation will be of great encouragement. Bespeaking your prayerful consideration, on behalf of the Committee;

Sincerely yours,

William P. Roberts

"A Project Sponsored Interdenominationally"

CHINESE CHRISTIAN CHURCH AND CENTER OF PHILADELPHIA
(An Interdenominational Missionary Project)

HISTORY AND ORGANIZATION In the City of Brotherly Love, many churches of different denominations have had missionary work for the Chinese in the community, mostly in the form of Sunday School or Bible study classes. The Baptist and Methodist denominations each established a mission in Chinatown. In 1941 the executives of these two denominations, having consulted together, issued invitations "to the other Protestant denominations of the city to join forces and undertake a united and adequate witness in Christ's name among the Chinese people of Philadelphia". In due time this united effort was organized under a Board of Directors made up of representatives from the cooperating denominations and the Chinese Congregation. (See list at the end.) The Chinese Congregation participates in the administration of the Church and Center also through the election of a Church Council. At the present the staff consists of Rev. Yam Tong Hoh, Pastor, and Miss Maribelle Mackenzie, Director of Activities, with a number of volunteer helpers and teachers.

PHYSICAL PLANT The physical property of the Church and Center includes a new church building, a small playground and a separate building for the Center. Through the generous allocation of funds for capital investment by the Baptist, Evangelical and Reformed, Methodist, Presbyterian and Protestant Episcopal denominations and with the kind contributions from many friends to the building fund campaign, it was possible to construct the new church building at North Tenth and Spring Streets. The new church has a beautiful sanctuary, equipped with a Wurlitzer organ and chimes, given by the Episcopalians. Adjacent to the sanctuary are Sunday School and auxiliary rooms, with the pastor's apartment above them. The new church was dedicated on April 12, 1953. On account of the increased construction costs, the original plans were curtailed. The portion of the building intended for the Center had to be omitted. The ground thus left vacant was made into a small playground. The old Baptist Mission was purchased for the use of the Center. The building has now been renovated and prepared for rededication. All these were again made possible through the generous donations by our many kind friends.

PROGRAM OF ACTIVITIES AND SERVICES The Chinese Christian Church and Center aims to serve the Chinese people in Metropolitan Philadelphia. Its program of activities and services covers all age levels and includes week days as well as Sundays. It provides educational and recreational activities for the children in after school hours. It organizes the high school and college age young people into clubs for group activities. It gives guidance and assistance to those who need medical care or legal advice. It enters into the life of the community by relating some of its activities to Chinese customs and holidays. In the summer months, it provides daily recreational opportunities on its playground. It conducts Vacation Bible School, camps and picnics. English lessons are offered to those who desire them. Due to repeated requests from parents, a Chinese language school is being considered. On Sundays there are Sunday School classes for all age groups, from 2:30 to 3:30 p.m. The Sunday Worship Service is held at four o'clock in the afternoon, in order to accommodate those who have to come from a distance and to make it convenient for friends from other churches to come to worship with the Chinese Congregation. The service is bilingual and is a unique experience. On Sunday nights a special program of entertainment, with occasional preaching, is conducted for the people of the community. Our highest goal is to lead the Chinese people to Christ and to provide for those who have accepted Him, opportunities for Christian worship, service, fellowship and growth.

RECENT PROGRESS God's mighty hand has been upholding and guiding the work of the Chinese Christian Church and Center. The cooperating denominations and the host of kind friends have shown deep interest and have been giving unflinching support. The Chinese Congregation has been responsive and loyal. For these reasons the Church and Center has overcome many difficulties and has been making steady progress. The Chinese Congregation was organized in 1949 with 25 charter members. By 1954 its membership was 36. Recently it has grown to 59. In 1954 the Sunday School had a membership of 25 teachers and students; now it has grown to 70. The Chinese Congregation is responsible for certain expenses of the Church and Center. Its 1954 budget was \$2,000.00. Its 1955 budget was 10 % higher than that of 1954, that is, \$2,200.00. Its 1956 budget was 20 % higher than that of 1955, that is, \$2,650.00; and 10 % of this total is set aside for benevolences.

The budget of the Chinese Congregation is, however, only about one-sixth of the total budget for the Church and Center. The major portion has to come from denominational grants and gifts from friends. When the church was built, the cooperating denominations and the Chinese Congregation had to underwrite a mortgage of \$25,000.00. Although it has been reduced to \$15,625.00, it is still a heavy financial burden. Last year the interest on the mortgage was \$970.31 ! In this connection we wish to express grateful appreciation to the 12th Street Meeting of the Society of Friends for donating to the Church and Center a bequest of \$1,000.00 from the Mrs. Rarah E. G. Tatum Estate. The Board applied the gift to the amortization of the mortgage. Contributions and bequests whether for current expenses or capital outlay will be greatly welcome. The Chinese Christian Church and Center is chartered under the Commonwealth of Pennsylvania. Gifts to it are tax deductible.

STANDING INVITATION The Chinese has a saying: "One picture is better than a thousand words. We cordially invite you to come to see the Chinese Christian Church and Center for yourself. You may come to worship with the Chinese Congregation at four o'clock any Sunday afternoon. You may come, preferably as a group, to visit the place on week days. If you are coming as a group, whether on a week day or on Sunday, please let Pastor Hoh know in advance. If the group desires to have lunch or dinner in one of the Chinese restaurants nearby in Chinatown, reservations can be made for you.

We invite you to remember this interdenominational missionary project in your private prayers and in your church group meetings. We need the help and guidance from above for this cooperative undertaking.

The Elizabeth Price Martin League for Service, Episcopal Hospital Unit No. 2, is planning to have the annual May Fete on the Hospital grounds on Wednesday, May 23rd, 1956. To insure the success of the Fete we need the help of everyone interested in the Hospital, and especially of every Auxiliary member in the Diocese. Will you be so good as to ask the members of your Auxiliary to give time, money, or articles to be sold? We especially need fancy goods, knitted articles for babies and children, White Elephants, books and kitchen wares. Nearer the time we shall need candy and cakes, flowers and plants, and goods for the Country Store, such as fresh vegetables, jams, jellies, etc. Also, we would welcome anyone who would like to help with the selling at the booths.

The Chairman of the May Fete is
Mrs. Frank K. Esherick

Mrs. Schofield brought to our attention the sale of personalized stationery and paper napkins; the proceeds to be turned over to the Amortization program. Mrs. Galleo agreed to take charge of the sales for the Auxiliary.

A "Go-see" trip, sponsored by the Department of Diocesan Affairs of the Woman' Auxiliary to the Natl. Council was presented. It is to be May 4. This is in connection with Christ Church Hospital and Trinity Mission, Gulph Mills. Reservations should be made by contacting the Church House.

The Rector then spoke to us and thanked all who helped with the Lenton lunches and also told us how pleased he was that the Conference would be well represented by Christ Church.

We also learned that the sets of Burses and Veils were completed; the four colors having been ordered.

The Mite Box Offering this year was five times greater than last year.

Mr. Harding also brought to our attention the importance of Christ Church and how we should each try to do our share in making it even more important in Church life.

Mrs. Gough gave an interesting report on her attendance to the North Phila., Convocation Meeting. She told us they had decided that instead of a card party they had suggested each Parish donate a certain amount. It was moved and seconded that we send \$5.

The next meeting will be at Christ Church, Franklinville. Mrs. Gough and Jean Matlack agreed to go.

Mrs. Patterson reported on Christian Social Relations work.

Mrs. Materson told us about a dinner on 5/14, which the Christian Social Relations Department desired to have at Christ Church. She suggested this might be a very helpful way to make some money for the Treasury. It was decided the ladies would arrange to serve the dinner.

A motion was made and seconded to purchase ten tables.

Bill Kampf then gave an interesting report on the Conference at Hood College. It was very enlightening and gave the daily routine of those attending.

The meeting adjourned with the Mizpah Benediction.

MINUTES OF THE FEBRUARY 21st, 1956
MEETING OF THE
WOMEN OF CHRIST CHURCH
- - - - -

The meeting was opened with Prayer by Mrs. Schofield.

The minutes of the last meeting were read by Mrs Flossie Stockman in the absence of your Secretary.

Mrs. Schofield stated the new hot plate was purchased and installed in the kitchen. The women find it very helpful and quite an asset.

The Shrove Tuesday party was discussed and Mrs. Schofield felt very disappointed by so few attending. However, the sauerkraut supper was a huge success and she thanked all those who took part in making it the success it was.

Miss Emily Pfluger then read the Treasurer's Report; showing a balance of \$458.04.

It was suggested by Mrs. Schofield that we give \$200.00 to the Rector for a Burse & Veil for the Communion Service; the balance of the money to be used toward the cost of the electric outlets or such other expense as the Rector decides for another project of his. This was approved by those present.

The business men's luncheon is to be held next Tuesday, Feb. 28th.

The Lenten Lunches were discussed and Miss Washburn mentioned the feeling of good fellowship expressed by so many people attending.

Mrs. Gough spoke of the Ash Wednesday Services and thought it would be a better plan to have a Clergyman instead of a layman speak on this Holy Day at noon.

Miss Bradford reported on the UTO. The Corporate Communion and In-Gathering is to be held the first Sunday in May at 10:30 A.M. at the Episcopal Academy. The Academy can be reached by taking the "E" Bus at 69th Street.

A leaflet was sent to Mrs. Schofield relative to the Hood College Conference (The World and God's People). She would like some of the young people of the parish to attend the Conference so, if any one is interested - we have a scholarship.

After this meeting Mrs. Schofield is to have a meeting in the Rector's Office to discuss his plan to divide the City into zones, to stimulate interest in Church attendance and membership by contacting those who do not come out, to learn if they are ill or in sorrow and need a visit from the Rector or staff.

Miss Washburn spoke briefly on Good Government.

Mrs. Schofield and Miss Washburn received a report from Mrs. Turner of the National Executive Board of the Women's Auxiliary.

The Meeting closed with Benediction by Mrs. Schofield.

Respectfully submitted,

(Miss) Anne Diedrich.

WOMAN'S AUXILIARY - CHRIST CHURCH

January 17, 1956

Mr. Harding opened the meeting.

The Minutes of the November meeting were read by Mrs. Schofield, as the Secretary could not talk, due to a cold.

The Treasurer's report was read and showed a balance of \$293.45.

Mrs. Schofield reminded us of the Business Men's Lunch and the need for help.

Mrs. Schofield read us an interesting letter from the Good Shepherd Mission in Fort Defiance, Arizona.

Mrs. Schofield also read a postal card from the Woman's Auxiliary of the Diocese, asking for salable articles for the Founders' Committee. Articles may be sent to the Church House, 202 W. Rittenhouse Square.

The subject of Lenten Lunches was discussed; Mrs. Lea will head the Wednesday group and Mrs. Stockman and Mrs. Ellis the Thursday group. The various needs for articles was discussed. Mrs. Stockman will obtain prices on a small electric plate and Mrs. Schofield further information on the carts for gathering dishes, etc. We learned that electric receptacles had been installed and it is to be determined later just how much of the cost the Auxiliary would pay.

Letter from Miss Bradford was read, which advised that Rev. E. Bolling Robertson, of Petersburg, Virginia, a graduate of Virginia Seminary, who was at Christ Church one summer, would speak at the Church House on Friday morning, January 27, at 10:30, on the progress of the Church in Liberia. Lunch is to be served afterward, at cost of 50¢.

Miss Pfluger made short report on work of Girls' Friendly.
No Report from Altar Guild.
No Report from Bishop White Club.

Mrs. Herbert reported on Periodical Club and stated there is always need for books and magazines; also that the Philadelphia Hospital requested wool, no matter how small the amount, for work they are doing.

Mrs. Schofield called to our attention report from United Thank Offering and suggested we read it; also letter from Woman's Auxiliary office, advising of Program for Lent.

Mr. Harding talked to us about his Sunday Morning Class and stated he is devoting this year to "Church History." He also told us of the sale of cakes, candy, etc. for the Church School on March 18, the proceeds to be used for the Easter Offering.

We were told also that Corporate Communion for the Women of the Diocese would be on April 9.

A letter from the Philadelphia City Mission thanking us for our donation of \$10 for work among the blind, was read.

Mrs. Schofield then suggested we make final plans for the Sour Kraut Supper. As decided previously it would be from 5 to 7, January 28. There would be a sweet table and White Elephant Table.

Mrs. Schofield also suggested we might have a Shrove Tuesday Party, (Feb. 14). We would have dancing, games, serve refreshments and it was decided to ask a silver offering. We were asked to bring prizes.

The suggestion was also made that we might have a card party in the Spring.

All these suggestions would be taken up again.

Mr. Harding told us the Vestry had voted to go ahead with the rest room on the second floor. He also told us that Mr. George Robins was appointed to be Lay Assistant.

Mrs. Schofield called to our attention World Day of Prayer - February 17 - and read a letter from the Philadelphia Council of Churches. The Treasurer was asked to send our customary donation of \$5. Mr. Harding suggested we might invite them to have the Service at Christ Church, in 1957. The Secretary was asked to write., (NOTE: Secretary took up the matter with Chairman of Committee and ascertained all information necessary. Referred Matter to Mrs. Schofield and later to Mr. Harding. It was agreed the work involved would be too much in coming year -- that we would look into it in future.)

Mrs. Galleo Spoke about subscriptions to Church News and many agreed to place subscriptions through Mrs. Galleo in future.

Our Annual Assessment of \$31 to Woman's Auxiliary was moved and seconded for payment.

Hood College Conference was discussed; representatives would be sent again this year.

Mr. Harding pronounced Benediction.

Respectfully submitted.

January 10, 1956

Dear Friend:

Thousands of Christian women in the United States and around the world will be uniting in prayer on the first Friday in Lent, February 17th, 1956 - the seventieth year of such observance.

Not only do we pray, praise, and worship as we follow the very beautiful program "One People, One Shepherd" prepared by the Christian Training School for Indians in Phoenix, Arizona, but we give for Christian missions at home and abroad.

This Day of Prayer is sponsored nationally by United Church Women and in this city by the Woman's Department of the Philadelphia Council of Churches, but the expense of each local observance is assumed by the committee responsible for that particular service.

There will be the customary noon-time meeting at the First Baptist Church, 17th and Sansom Streets, and various children's gatherings in our Central City Area. These interracial and interdenominational services are strategic forces for good, a very important part of our Christian witness.

The committee estimates that approximately \$100 will be needed to finance the above for programs, posters, janitor's services, etc. We hope this appeal will reach you in time to present our request at an early meeting of your women's organization. GOOD SHEPHERD MISSION

EPISCOPAL

MINISTERING IN NAVAJO COUNTRY

FORT DEFIANCE, ARIZONA

The Reverend Davis Given
Superintendent

To the Friends of Good Shepherd Mission:

The Mission plans to report regularly to the many people whose generosity makes its existence possible. However, we assure you that future reports will be briefer than this one, which has so much to bring you up to date on.

We cannot exaggerate the importance of your help because half of our operating budget comes from your voluntary gifts. Our appreciation demands that you will be kept informed. But there is also another reason: current news of the Mission will make you better able to tell others of our work. And to grow, the Mission needs new friends who will join you in supporting its work.

Our new Chapel

The new Chapel of the Good Shepherd was consecrated July 10 by the Bishop of Arizona in the presence of the Bishop of Utah, the Bishop Coadjutor of New Mexico, and clergy representatives of the National Council and of other Southwest Missions. Our many lay guests included Mr. Arthur Vining Davis, donor of the Chapel. The Chapel was crowded, and the three Bishops also joined in confirming a class of thirty from the Mission and its outstations and preaching stations.

Everyone is impressed with the beauty of the Chapel and the way it is in harmony with this country and these people. The old Chapel which served for fifty-seven years is commemorated by a tablet in the narthex of the new Chapel and by the remaining walls of its sanctuary and nave which now form an outdoor shrine.

The Children of the Mission

We have a full house this fall. Twenty are homeless pre-school children, placed here by the Branch of Welfare of the Indian Service which partly reimburses us for their care. But this winter we also have twenty-two boys and girls in the eight to sixteen-year-old group who live here and attend the new public school next door. These young people return to their own homes in summer; we hope they will be with us every school year through high school as the neighboring school will eventually become the first public high school on the reservation. A third group is with us in summer only, school-age children placed here by the Indian Service which partly reimburses us; they attend government boarding schools in the winter.

We are now making maximum use of our child caring facilities the year-round, giving a home to many who would otherwise be homeless. Most important to us is that we now have a Church-centered program of care for some of our own children, the second group mentioned above. With them we have an opportunity to have some of our own people grow up in the knowledge of their Church, and the accompanying opportunity to develop Christian leadership. In this group lies our greatest single chance to make an effective Christian impact on the Navajo community whose adults will never find any real religious experience apart from their native religion and whose children will never find any comfort in the Navajo religion. It is for this part of our child-care program that we are most anxious to find additional support.

Our Staff and its Work

The care of these children involves the entire staff; all share in teaching classes and in the many group activities. All components of normal parish life -- services, classes, recreation, group activities -- are carried on at the various centers of the Mission's life; at Good Shepherd Mission itself, at St. Anne's Chapel at Sawmill fourteen miles to the north, at St. Mark's Chapel at Coalmine eight miles east, and among a group of families at Sanders sixty miles to the south and another group at Blackmountain eighty miles to the west.

It takes a large staff to operate the Mission even though every person performs several duties: dormitory housemothers, supervisors of child care and Christian education, business manager, engineer, cooks, and all the rest. Most of them are veterans but there are a few new faces this year. A wonderful staff. And so much for them to do.

The Buildings of the Mission

We have been able to make important additions and improvements to our buildings. Foremost, of course, is the new Chapel. The same generous donor has also made our new vicarage possible; many of you have already enjoyed its beauty and comfort. The new furnace installed in 1953 through a National Council gift operates perfectly. Gifts of paint have brightened three dormitories, additions have been to the two outstations through help from the Women's Auxiliary of the National Council, and our Bishop and a generous donor are bringing us a new bus to replace the dangerous over-age truck in which we have transported our people for years.

But there is still much to be done. Buildings and parts of buildings need paint, plaster, new floors or other repairs. The electric wiring is obsolete and has already caused one fire. Steam lines run long distances without insulation, making for extravagant heating. A walk-in refrigerator would let us save by purchasing food in quantity, and our plans call for a garage, a necessity in this land of long, cold winters. Help toward any of these projects would make our program more effective.

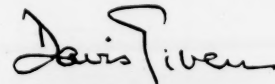

Our Financial Picture

During the twelve months ending in September, our total income was \$70,075.80. Somewhat more than half came from three assured sources: our annual appropriation from the National Council (\$16,000, recently increased from \$11,200), the salaries of five women employees appointed and paid by the National Council (\$10,900), and \$12,200 from the Indian Service which pays about 70 percent of the cost of caring for the children they place with us. For the rest, we depend almost entirely on gifts from our friends.

In the same period, our expenses were \$71,519.00, and this covered little more than the minimum operating expenses, like salaries, heat and electricity, food and auto expenses. For Religious Education we could spend only \$782.29, and this must be increased. For expansion, upkeep and repairs we need \$10,000 more than we are now getting and we can obtain this only by increasing the number of donors.

Even this lengthy report is only the barest outline of the life of a Mission which is as rich and varied as the sum of the lives of all the people in its big family. We are always ready to answer any inquiry, and to welcome those who can come to see for themselves. We are conscious of the privilege it is to live here, of the opportunity given all of us to touch many lives, of our responsibility to young and old who look to this church for a meaningful ministry, and we are deeply aware that in the end it is God Himself who deigns to use what little we can bring to this ministry.

With appreciation of your part in the Mission of the Good Shepherd,

Davis Given

Mrs. Schofield read a letter from the Rector thanking us for the \$200 contributed to the Builders for Christ Program; also letters from the Good Shepherd Mission for our check for \$25 and from St. John's Settlement House for our check for \$5.

The following appeals were presented:

From St. Mary's by the Road, Leeds, N. D. \$1
Christ Church Hospital
Penna. Branch of Auxiliary for work among the blind.

Motion was made and seconded that we send our usual contribution to Christ Church Hospital of \$25; \$10 for Work among the Blind and Mrs. Schofield had already sent the \$1. to St. Mary's by the Road.

Mrs. Schofield brought up the subject of the Saur Kraut Supper. It was decided to have it on January 28, 5 to 7, price \$1.25 adults - children under 12 - 75¢.

Our President also brought to our attention that we no longer had representatives for Committees on Negro Work and the Indian Hope Association. We were asked to give this consideration.

Miss Pfluger reported that the Girls' Friendly had made \$10 to help with their work; Mrs. Herbert reported on the Periodical Club and stated there was still need for magazines and books.

Miss Bradford reported on the UT Offering. There appeared to be about \$170 from 73 contributors. The total Ingathering from the Diocese was \$25,700.

The Lenten lunches were called to mind and the need for new equipment; this will be discussed at our next meeting. A letter from Mrs. Davis was read, which called attention to the various activities to be held within the next few months.

The Rector came into the meeting for a few moments and thanked the Auxiliary personally for taking our quota for the Builders for Christ program "over the top". He also spoke on a few changes to be made in the Altar. In due time there would be in use silk veils and silk burses ~~for use~~ at celebration of Holy Communion. It was suggested that the Auxiliary might like to consider giving a set as a memorial for deceased members. The sets would conform to the Seasons' ~~and~~ colors.

Mizpah Benediction.

Mrs. Schofield welcomed all present.

Mr. Harding opened our meeting with a prayer.

The Minutes from our meeting of May 17, 1955, were read and approved.

In the absence of the Treasurer, Mrs. Schofield reported on our balance, which to date was \$511.

It was noted that Mrs. Stockman was to give us a full report on her visit to Hood College. This will be given at a later meeting.

The Business Men's luncheon on October 25, was called to our attention.

We were reminded that our dues are now due and the Secretary was asked to request Mrs. Davis to have a notice in the Beacon that all Women of the Church are members of the Auxiliary and should make an effort to contribute through the payment of dues, ^{\$1 ea. year}.

Motion was made to send \$7. to the Church School by Mail.

A request from Bishop Kingsolving, of Good Shepherd Mission was read. It was decided we would give \$25, provided the Church has not already taken care of it to greater extent.

Motion was made and seconded that we send \$5 to St. John's Settlement House.

We were again reminded certain articles are needed for the kitchen. Suggestion was made that the matter be postponed until our next meeting.

It was decided to hold the Sour Kraut supper sometime early in 1956.

Mrs. Schofield read an article on a custom at one of the Churches, where, on the birthdays of the different members, each person brings a fine china cup and saucer. In this way a collection of fine china is accumulated. We may give more thought to this.

Miss Bradford gave a report of the U T. A. and read a letter from Mrs. Blair. The Fall Ingathering is set for Thursday, Nov. 10, at Holy Trinity Church, 8 P.M. It was decided our Ingathering would be the first

Sunday in November, the 6th.

This Sunday also would be Corporate Communion for the women of our Parish.

The Secretary was asked to also call this to the attention of Mrs. Davis, to be placed in the Beacon.

Due to the Parish Dinner, the next meeting of the Auxiliary was called for November 22! this also to be stated in the Beacon.

Mr. Harding then spoke to us on the importance of the Auxiliary and the U. T. A. He informally discussed some ideas for activities for the coming year.

Mr. Harding pronounced benediction.

Mrs. Schofield. The meeting opened with prayers by our President,

The Minutes from the meeting of April 19, were read and approved.

The Treasurer's report was read and showed a balance to date of \$482.75.

Mrs. Schofield read us a letter received from Mrs. Anne Pearson, which acknowledged our card of sympathy.

We were reminded help was needed for the Business Men's Luncheon.

It was reported Mrs. Stockman would attend the Conference at Hood College and the Treasurer was authorized to give her a check for \$35. Mrs. Stockman will be expected to report on the Conference in the Fall.

Report on the United Thank Offering showed our collection to be about \$120.

Miss Dorr expressed appreciation for the contribution to the Bishop White Library.

The May Fete, May 25, at the Episcopal Hospital was again called to our attention.

Mrs. Schofield brought to our attention the 81st Annual Meeting of the Pennsylvania Branch of the Woman's Auxiliary to the National Council on Monday, May 23, at Calvary Church in Germantown.

It was decided to delay the purchases of the needs for the kitchen until Fall.

interest In view of the fact that many people had mentioned lack of
of a Bazaar it was talked over and decided it would be well to have something
different this year. A Sour Krout Supper was decided on and in connection
with this there would be just a couple of tables, possibly a sweet table and fancy
table, as an added attraction.

The date was set for November 12, and the Secretary was asked to write Mrs. Sydney Lea a letter asking her to be Chairman. The Secretary was also asked to contact Mrs. Davis about putting notices in the Beacon long ahead to create a real interest in the affair. Members of the Auxiliary contributed 10¢ each toward the meat. The Altar Guild pledged \$5 toward it.

Mrs. Schofield wished all a very pleasant summer and closed the meeting with the Mizpah Benediction.

The Treasurer's Report showed a balance to date of \$540.10; the profits from the Lenten lunches were reported as totaling \$387.

It was brought to our attention we need more equipment in the kitchen, such as more pitchers, cook pots a hot plate. Mrs. Masterson was asked to get estimates on the cook pots and other incidentals and Mrs. Stockman was asked to get an estimate on the hot plate.

Mrs. Schofield read a letter from Mrs. deBordenave, being an acknowledgment of the cream pitcher and sugar bowl. Acknowledgments from Mary Yeager and Jane Allen were read. A letter in acknowledgment of the \$20 sent to Dr. Allen, at the Washington Cathedral was read.

Mrs. Schofield thanked all who had helped with the showers and the reception on Easter and asked that the Treasurer pay those who had spent money.

We were reminded of the Business men's Lunch on April 26; also the Diocesan Altar Guild Meeting on April 27.

A request was read from the Episcopal Hospital for the May Fete, May 25. It was moved and seconded that we give \$10.

The Provincial Conference at Hood College, June 12-18, was brought to our attention and special mention made by Miss Washburn that we should try to urge some of our congregation to go.

We were reminded of the Diocesan Woman's Auxiliary conference July 12-13-14 at the Conference Center in Radnor, cost \$13.50; there would also be an evening conference on May 18.

Excerpts from the Report of the National Executive Board of the Woman's Auxiliary were read by Mrs. Schofield and were very interesting.

A Letter from Mr. Sidney Lea concerning concert on May 6, at 3 P.M., was read.

An appeal from the Bishop White Library Assn., by Miss Dorr was given consideration and it was moved and seconded that we send \$10.

Mrs. Schofield reminded us of the fact it was election time again for Officers of the Auxiliary. Miss Washburn stated it was her recommendation that the Officers now in office continue for the next year. This was moved and seconded.

Some differences of opinion were called to our attention by Mrs. Schofield in connection with the Bazaar for next Fall. It was decided that we think this over at a later date.

Discussion took place regarding the necessity of having lavatories on the second floor of the neighborhood house. Every one considered this an important move and the secretary was instructed to write a letter to the Chairman of the Property Committee and present this request.

It was moved and seconded that we send \$5 to Mrs. Hickman, Chairman of the Committee for the Card Party of the Convocation.

The Girls Friendly reported on a very nice visit to Christ Church Home.

The meeting closed with the Mizpah Benediction.

Respectfully submitted,

Dear Mr. Ellis:

The Woman's Auxiliary of our Church has instructed me to write to you, as Chairman of the Property Committee, to ascertain whether or not you would consider having lavatories installed on the second floor, (the Auditorium Floor), of the Neighborhood House.

As you can readily understand, such an improvement would be of great convenience to every one, particularly the women working in the kitchen on luncheons, dinners, etc. We feel that there really should be Rest Rooms for both men and women.

Your cooperation in the matter would be greatly appreciated and we feel a real improvement to the property.

Sincerely,

I want to add that this is done in sincere appreciation for your excellent guidance of our group. To say that we enjoyed the trip would be to use very mild terms. Every one in the group thoroughly enjoyed the tour and know it was your fine interpretation of everything that made it so worth while.

in PHILADELPHIA

SECOND STREET ABOVE MARKET
PHILADELPHIA 6. PENNSYLVANIA

April 19, 1955.

Mrs. Charles S. Schofield, Pres.
Woman's Auxiliary
Christ Church in Philadelphia
Philadelphia 6, Pa.

Dear Mrs. Schofield:

Now that both the Organ and the Bells have been fixed up, we are planning a combined recital on both for Friday, May 6, 1955 at 3:00 P. M.

Because of the help we received from Mrs Efrem Zimbalist in having the Organ repaired, we are inviting her to attend the recital and to extend an invitation to the students at the Curtis Institute of Music.

While all details have not yet been worked out, we expect to have the organ recital played by Mr. Murphy and Mr. Joseph D. Chapline, Jr., organist at the First Unitarian Church of Germantown where Mr. Cyrus H. K. Curtis worshipped and where he gave a very fine organ. We also expect to have the Curtis Publishing Company Choral Society participate. The recital on the Christ Church Bells will be played by Dr. Arthur Lynds Bigelow, noted campanologist of Princeton University.

It occurs to me that you might like to alert your members about this interesting event, and should there be any change in the date or time I cannot now foresee, you will be informed immediately. We shall be most happy to have all of the members of the Woman's Auxiliary present.

Sincerely,

Sydney L. W. Lea

REPORT OF THE NATIONAL EXECUTIVE BOARD
OF THE WOMAN'S AUXILIARY

SEABURY HOUSE, GREENWICH, CONN. February 11th -- 15th, 1955

Dear Friends:

At this meeting the roll call showed only one absentee, Mrs. Sumner Walters who was speaking to the Woman's Auxiliary in Honolulu at their Annual Meeting. I do want to stress this almost perfect attendance that we have had during my second term as your representative on the National Board.

Mrs. Sherman read or reported on various communications, including one from this Province regarding salaries of women workers and the publication of study material. We were delighted to hear that the salary raise had already been given (the Board voted that a resolution be sent to the Rev. William G. Wright expressing our gratification on the \$300. per year raise in salary for all women workers in the Home Department) and then we had to smile when the Board was commended for having the study material out sooner, BUT the Province hoped that in the future it would come out at an even earlier date. If you only knew how we have been struggling towards that end!

I hope that you read the article written by Annamma Thomas George in the March issue of FORTH. At this meeting we had a letter from her expressing her deep gratitude for the car that we had been able to give her from your United Thank Offering.

That Friday afternoon it was a real pleasure to have with us Mrs. George Goss, President of the W.A. in the Missionary District of Honolulu. If she is a sample of the women out there, then this promises to be the best Triennial ever! She was so enthusiastic that it made us sorry that we had to wait six more months before we set sail. We discussed everything with Mrs. Goss, from the places for our various meetings to food and clothes. I have already sent all those suggestions to your Diocesan President.

Our program that evening was the showing of the latest film: SONG OF THE PACIFIC. It is the story of a native nurse who receives her training on the mainland and then returns to her native Hawaii to witness her Christian faith. The finale showed the Island of Okinawa, and when the film was finished we felt that truly "In Christ there is no East or West." This film rents for \$8.00 from the Audio-Visual Division, 281 Fourth Avenue, New York 10, N. Y.

The next showing was a film strip: THIS IS YOUR NATIONAL COUNCIL. We hope this will have great value in acquainting people of its workings and personnel. It may be purchased for \$5.00 from the Audio-Visual Division.

And while we are speaking of films, at long last a person of national fame and a wonderful following is interested in UNICEF. Danny Kaye started investigating and is completely sold on the program. Paramount has made a picture featuring him with these underprivileged children in Korea. It is called "Assignment Children" and Paramount will donate its profits on the Movie to the UNICEF work. Will you help by asking your theatre to show this 20 minute film?

My roommate and I were in bed, though not asleep that evening when Mrs. Goss came back from a visit with Mrs. Sherrill and again her enthusiasm was contagious. If only you could have seen and heard her! "It's snowing!! I had SNOW falling on me!! First time I have ever been out in a snow storm!!" I was so glad we had adjoining rooms for I wouldn't have missed that glimpse of her for anything.

After the first twenty-four hours there were some of us who questioned whether it was worth the expense of getting us all to this meeting. We felt that it had been "all play and no work" -- not that we hadn't thoroughly enjoyed it, the "question" was still there: When would we really get to work on Triennial plans?

We shouldn't have worried, for when that time came we really did WORK, though fortunately I picked that job which was the easiest for me -- finance.

As you know the Board has the spending of the interest of many legacies and from one of these we are offering to help those Dioceses or Missionary Districts that need financial aid to send their delegates to the Triennial Meeting. You will be glad to know that your Province promises to be well represented. I have yet to hear from three of our Dioceses but of the other ten, eight are planning to send full delegations and six of those eight are not asking for any financial aid. Do you blame me for being proud to represent such a wonderful group?

The other committees worked on: ORIENTATION and THE UTO COMES TO LIFE; THEME and PREPARATORY MATERIAL; and THE UNITED THANK OFFERING SERVICE. We have found it a great deal easier to work in small groups and then the whole Board has its chance to agree or disagree with the reports that are brought in. And we did just that! The THEME created the most discussion. At first there were hardly two of us who agreed on any of the suggestions. And then -- something seemed to happen and out of that "something" came "HIS WITNESSING COMMUNITY". The emphasis of the Triennial Meeting is the work of the Church in the Parish, in the Community and in the World.

Mrs. Sherman presented the question of visitors being allowed to complete delegations, which are not filled by W.A. diocesan elections. The following statement was adopted by the Board:

"The list of delegates to the Triennial Meeting should be sent to the Executive Secretary as soon as the delegates are elected. No names may be added to any list after July 15th.

"For example, if a Diocese has sent in the names of four delegates, this number cannot be increased after July 15th. If, however, one of these delegates should be unable to serve, her place may be taken by a duly accredited delegate."

REPORTS: 2 from colleges in India that receive annual grants from the UTO.

VELLORE CHRISTIAN MEDICAL COLLEGE. The Secretary read a letter from Mrs. McKechnie saying that the main emphasis centered on the need for an extended building program.

ST. CHRISTOPHER'S TRAINING COLLEGE. Mrs. Strassburger reported the history and objectives of the College. She stressed the service to individuals and the community. There too they need new buildings and a school bus. Miss Avis Harvey has been elected Vice President of the American Associate Board of the College.

SECRETARIES REPORTS:

UNITED THANK OFFERING -- Miss Beardsley reported that, as of December 31st, 1954, the UTO balance was \$2,198,236.95, showing an increase of \$419,072.32 over the amount of the same period in the last triennium.

SUPPLY -- Miss Stabler pointed out that there is a greater need for money than for supplies in overseas work and in hospitals and that the amount of sewing for our Domestic Missions is decreasing. The Church program is expanding, but the National Supply Work is becoming smaller due in part to some Dioceses having taken on the responsibility of Missions located within their own boundaries.

CHRISTIAN SOCIAL RELATIONS -- Miss Stabler is not pleased with the response to the printing of the leaflets on "This Is Our Business". How about your Diocese? Have you been giving them enough publicity? She told us that the National Church has accepted a quota of 1500 refugees for resettlement. Assurances for one one-third of these have been signed. These are not displaced persons but refugees from behind the Iron Curtain. What is your Diocese and your Parish doing about this? I would like to have a report to give on this subject at our April Board meeting.

PROGRAM PLANNING -- Miss Harvey told us that "YOU AND GENERAL CONVENTION", selling for 50¢, would be available by the middle of March. As I understand it, this can be used now, in part or as a whole. It will be equally valuable to use after Convention.

Sunday afternoon the Rev. John Midworth, Executive Secretary of the Division of Adult Education of the Department of Christian Education spoke to the Board on the philosophy and development of the program of the Adult Division. He said that greater than the acquisition of Christian Education is the applying of it. To know

Christ died on the cross means nothing until you know Christ. There is need for a deeper understanding of the meaning of the Christian faith and it must speak to every area of our life.

During Miss Harvey's presentation with Mr. Midworth it was the consensus of the Board that the W. A. should service ongoing programs developed within the present pattern of women's work, but that we should move in the direction of integration.

CHURCH PERIODICAL CLUB: Mrs. Johnson stated that contributions to the Books Fund for the year 1954 were \$11,400. a great increase over the previous year. The supplying of libraries in our Seminaries has been the major emphasis in distributing these funds.

DAUGHTERS OF THE KING: Mrs. Wilson said their Convention would be in Cleveland, Ohio. New chapters of the Order are being started across a wide cross-section of the country.

EPISCOPAL SERVICE FOR YOUTH: Mrs. Strassburger told us that the member agencies of ESY are proving themselves a strong force in combating juvenile delinquency.

GIRLS' FRIENDLY SOCIETY: Mrs. Hargate gave us copies of the current issue of HIGHLIGHTS and the new promotional flier "Doorway to Leadership". Also brief reports on recent GFS activities including those in world relationship and WA-GFS cooperation.

In the REPORTS FROM THE PROVINCIAL REPRESENTATIVES, all spoke of growth in activity, service, program work and spiritual strength.

AT LAST we have a Pension Plan for Lay Appointees of the National Council. As of January 1955, the W. A. has subsidized the funding of the plan for 130 women missionaries to the amount of \$1,193,458.10. This was deducted from the Isa Soule Pension Fund which still has a principal account of \$214,733.84. This covers each employee with an annuity policy in the amount of \$1250. per year. These benefits are in addition to the benefits to which each lay appointee becomes entitled at the age of 65 under Social Security.

PERSONNEL COMMITTEE

This report seemed unusually long, and it was heartrending to hear the list of over 20 resignations, though many of these women have been on indefinite leave of absence. But WHERE are we to find others to take their places? Our training schools are not filled, and that subject is to be our special concern at the April meeting. One new appointment was made: Deaconess Pauline Watts, to the Good Shepherd Mission, Fort Defiance, Arizona, early this summer. And Scholarships were granted to eight young women who are in training.

UNITED THANK OFFERING

The following grants were approved:

A mimeograph for Mrs. Angela Oglesby, Secretary to Bishop Yashiro	\$ 175.00
Toward a car for Miss Anne Hunter, College Worker, Columbia, Missouri	1,000.00
Help toward payment on car for Deaconess Margaret Booz, St. Anne's Mission, El Paso, Texas	500.00
An additional grant to complete work on the Old Ladies Home, Viamao; and the chapel and school on the edge of Pelotas, in the District of Southern Brazil	800.00
To provide a jeep for the Rt. Rev. Philip Parmar, India	2,000.00
Heating plant, Chapel and Auditorium of St. Margaret's School, Tokyo, Japan. This chapel was built by a gift from the UTO in 1928 as a Thank-Offering when the Offering reached \$1,000,000. During the war the Japanese military removed the entire heating	30,000.00

system for scrap-iron. At the present time the Chapel is in perfect condition. It is being used by 1800 students during the week and by a Parish membership of 600 on Sundays, and it has no heat! Overcoats must be worn 9 months in the year.

Towards repairs to heating plant at St. Mary's School, Springfield, South Dakota \$ 1,500.00

Additional repairs at Sun Juan Mission Hospital, Framington, New Mexico and equipment for operating room 2,250.00

That an amount up to \$375. be made available to the Bishop of Alaska toward travel for a D.R.E. 375.00

To Deaconess Hettler toward the cost of painting Christ Church, Pioche, Nevada. This was done in response to a letter from her asking if she be allowed to use her "Work Budget" of \$100.00 towards this project. 450.00

To the Bishop of Alaska to repair and recondition a house for the use of a nurse in Shageluk. 2,000.00

Bishop and Mrs. Sherrill were with us Saturday evening. The Bishop said there was nothing of special interest to report. He had had "nine years of trying to balance the Budget -- 9 down and 3 to go." But, he added that this was the first year that they were able to balance, thanks to over payments and lapsed balances. I was delighted to see that every Diocese in this Province met or overpaid its Expectation. Only one did not accept its full quota but that was offset by two that accepted more than they were asked to give.

Bishop Sherrill expressed regret at the Church's financial inability to take advantage of opportunities for service in areas of rapidly expanding population. Like Dr. Wright, when he spoke to us last year, he wished there could be more "flexible funds". The BUILDERS FOR CHRIST has received 63% of its goal in cash and half of that has already been distributed. In talking of plans for the Honolulu General Convention, he pointed out that expenses for the trip may be deducted from income tax of delegates and others who attend in an official capacity.

Yes, our meeting was not all "play". Honolulu continued uppermost in our thoughts. We found time for an hour's Bible Study conducted along the method suggested by the Department of Christian Education. The three groups gave reports and there followed a discussion of the method to be used at the Triennial Meeting.

It is now mid-Lent and I hope this letter will reach you before too long for it brings my greetings to each one of you for a Blessed Eastertide.

115th ANNUAL REPORT

OF THE

BISHOP WHITE
PARISH LIBRARY ASSOCIATION

For the Year 1954

During the year 1954, sixty-one applications for grants were completed and shipped, forty-nine others approved by the Board of Managers. One of the most interesting asked for a special gift of the four books in the Church's Teaching Series, "The Holy Scriptures," "Chapters in Church History," "The Faith of the Church" and "The Worship of the Church." These were to be sent to the Central Theological College of Tokyo, Japan.

Another compelling request from the Missionary District of the Panama Canal Zone was for a gift of books for an older man who had been employed for some years as locks operator and carpenter foreman. "He offered himself to the Ministry several years ago after a deep religious experience and since then has been preparing for the Ministry under my supervision. He is continuing his studies for the Priesthood under me. I had heard that your society sometimes donates books or gifts of money to buy books to newly ordained clergymen and I should be grateful if you could do this in the case of Mr. —.

"If you prefer to send books, Mr. — needs the Abingdon Bible Commentary and one or more volumes in the series of the Interpreter's Bible; also the Concise Bible Commentary by Lowther Clarke."

The next application which is quoted gives a typical picture of the wide field assigned to young men who are working in our own West:

"I have been informed that your association makes grants to mission priests for books for parish libraries. Currently, I'm serving as a mission priest in charge of St. James', Payette; St. Luke's, Weiser; and St.-Andrew's-by-the-Lake, McCall; New Meadows and Cascade, Idaho. This covers an area of about seven counties in west-central Idaho and is the western extension center of the National Town-Country Church Institute in Roanridge, Parkville, Mo.

"We are desirous of building up a library for this vast field. We now run seven Inquirer's Classes per week but, due to the

of cakes and cookies.

Mrs. Schofield read an interesting poem on a "Cakeless Sale". It was decided we might try to do this in September.

March 16, 1955

The meeting opened with prayers by Mrs. Schofield.

The Minutes from the meeting of February 15, were read and approved.

The Treasurer's report showed a balance of \$195.10 after expenditures. It was brought to our attention that, so far, the Auxiliary had given \$800 toward the Builders' for Christ Program.

A letter received from Mrs. deBordenave was read, which was an acknowledgment for the Coffee Service; a picture of the deBordenaves was enclosed and passed around.

It was brought to our attention that \$3 was needed to complete the cost of the gift.

On our trip to Washington, we were told that many people had donated stones for the Cathedral, which cost \$10 each. The group who took the trip decided to donate two stones from our Auxiliary. A collection was taken and amounted to \$14. It was moved and seconded that we take the extra \$6 from our treasury. The Secretary was asked to send the check to Dr. Clarence Allen with a letter expressing our appreciation for the time which he spent in guiding our group through the Cathedral.

A report on the Lenten lunches was made. A profit of \$131.28 was reported. We are very short of dishtowels and Mrs. Schofield told us she had authorized the purchase of a supply. (\$2.25 a dozen). We also need trays -- the plastic type are \$15 a dozen, aluminum \$22 a dozen. Motion was made and seconded that we give Mrs. Masterson \$11 for a 1/2 dozen aluminum trays.

The Business Men's luncheon was called to our attention and the need for help.

Mrs. Schofield reminded us again of the Diocesan Altar Guild meeting on April 27.

Mrs. Schofield also reminded us of the annual Easter reception for the Confirmation Class and the Bishop. It was decided that we purchase corsages for the Bishop's wife and Mrs. Allen. We would need donations of cakes and cookies.

Mrs. Schofield read an interesting poem on a "Cakeless Sale". It was decided we might try to do this in September.

We had a request from the House of Rest for the Aged for the purchase of four tickets for a Card Party at the Broadwood Hotel. Since we had given them a contribution in accordance with our Budget it was decided to decline the request.

We were told about the General Convention and it was thought we might try to have a speaker to tell us what went on.

The Girls' Friendly reported having given \$25 toward the Builders' for Christ Program.

Mrs. Herbert reported on the Periodical Club and stated she had received a letter asking for a contribution. Motion was made and seconded that we give \$5.00, to be used at the discretion of the Club.

Miss Bradford told us the United Thank Offering Ingathering had not yet been decided. It was thought the first Sunday in May might be set aside for our Corporate Communion and United Thank Offering Sunday.

All business being over the meeting was closed with the Mizpah Benediction.

Respectfully submitted,

Secretary

Miss Emily Pfluger
5937 Water Street
Philadelphia 20, Pennsylvania

Dear Miss Pfluger:

We want to thank you and the members of the Woman's Auxiliary of Christ Church for this most helpful gift of \$10.00. We are very grateful for your concern for this part of the Church's work and for your willingness to share through this contribution in all that we are trying to do.

We have a marvelous opportunity to assist in many ways a people confronted by drastic transition. We have a great responsibility to serve a congregation which has shown fine loyalty for over sixty years. Our chance to take advantage of this opportunity and to fulfil this responsibility depends nearly entirely upon those who care to share through their gifts.

This note brings my own most sincere thanks to you and the thanks of all the members of this Mission family and congregation.

Faithfully yours,

The Reverend Davis Given

WOMAN' AUXILIARY - CHRIST CHURCH
PHILADELPHIA, PA.

February 15, 1955

The meeting opened with prayers by Mrs. Schofield and a welcome to all present.

The Minutes from the meeting of January 18, were read and approved.

The Treasurer's report was read and after payment of incidental expenses showed a balance of \$344. 40.

Mrs. Schofield stated that the payment of \$200 to the Church for the Builders' for Christ Program had been held up temporarily until we determined our balance.

Report on the reception and tea for Reverend and Mrs. deBordenave was given and it was estimated the cost would not be more than about \$20 to \$25. All who had helped and contributed were thanked.

The trip to Washington was discussed.

The Business Men's lunch on Monday, February 21, was brought to our attention.

It was also brought to our attention that Friday, February 25, would be World Day of Prayer - the Central City services from 12 to 2 would be held at the First Baptist Church, 17th and Sansom Sts. We had in the past donated \$5. It was moved and seconded that we give \$5 this year.

The Lenten lunches were brought to our attention for discussion. They would commence February 23, Ash Wednesday. Mrs. Lea is to head the Wednesday group and Mrs. Stockman the Thursday group. It was decided the cafeteria style lunch should be continued. Prices were set for soup, sandwiches and etc.

Soup	10¢ for cup 15¢ for bowl
Sandwiches	25¢
Tea	05¢
Coffee	10¢
Desserts	10¢ and 15¢

Notices are to be printed in the Beacon.

Mrs. Herbert reported on the Periodical Club and a card was read which had been received from the Seaman's Institute, thanking us for magazines.

A letter from the Good Shepherd Mission, Fort Defiance, Arizona, was received, asking for assistance for the Navajo Indians. On motion, made and seconded, the Treasurer was authorized to send \$10.

Miss Dorr told us of the Spring Meeting of the Diocesan Altar Guild, on April 27, (Wednesday), to be held in our Church. It is hoped that a large representation from our Church would be present. Donations of cookies were requested.

The Woman's Auxiliary Corporate Communion is to be held at Christ Church on March 25, 8 A. M. Breakfast will be served.

Mrs. Ellis brought up the fact that extra racks for the stove in our kitchen were not yet paid for. The Treasurer was authorized to pay for them.

Mrs. Schofield stated it had been decided extra aluminum pitchers would be very helpful for lunches and dinners. They could be placed on the tables and would avoid so much extra work of pouring water; also that a smaller type would work out much better. Joe would be able to get us estimates and it was decided we might spend about \$25 for them.

The Builders' for Christ Program was again discussed and it was agreed to give \$200 to the Church.

Mrs. Schofield stated she would send a get-well card to Francis Winward.

Mrs. Burleigh told us she had received a card from Mr. Whidden and he had sent greetings to the Girls' Friendly and the Auxiliary.

All business being over, the meeting closed with the Mizpah benediction.

Respectfully submitted,

Our meeting opened with a hearty welcome
to all.

The Minutes were read and approved.

A report on the Talent Money was given,
which showed a profit to date of \$98.15.

We were reminded of the regular assessments
due to the Woman's Auxiliary of Penna., and it was moved and seconded that
the Treasurer be authorized to send checks to cover them. It was also moved
and seconded that the Treasurer send checks for certain other items of
expense, such as the United Thank Offering envelopes.

Mrs. Schofield explained that due to the short
time before Mr. deBordenav's leaving us, she had assumed the responsibility
for deciding on a farewell gift and ordered a very fine electric coffee service.
It was decided also that it be paid for by individual contributions from the
members. This would be presented at the reception to be given on January 30,
along with a corsage for Mrs. deBordenave.

A plan whereby any organization could make
money for its treasury was explained to us. It was brought to our
attention by Mrs. (and) Davis and has to do with running a benefit in the way of
selling tickets for shows given by the Delancy Players. It was talked over
and given some thought. The Altar Guild may do this at some future time.

The Treasurer's Report was read and showed
a balance to date of \$577.50.

It was moved and seconded that we give \$200
to the Church toward the Builders for Christ Program.

The meeting was closed with a prayer.

After the meeting Dr. Clarence Allen, Uncle of
Rev. Eric Allen, showed slides and gave a most interesting talk on the Washington
Cathedral. It was presented in such an interesting manner and created such
enthusiasm that plans were immediately put in motion for a trip to Washington
to see it. Plans for chartering a bus, etc., to be announced at a later date.

Coffee and buns were served.

Respectfully submitted,

October 19, 1954

The meeting opened with prayers and a special prayer included for Mrs. William Travis, wife of the Principal of the High School at Cape Mount Liberia. Mrs. Travis is a former worker supported by the UTO. This was at the request of Miss Bradford, who was unable to attend and had written Mrs. Schofield.

Mrs. Schofield announced that it had been planned to have Mr. Stevenson attend this meeting and discuss the finances of the Church. However, there had been reported so many people would be absent it was decided best to have him come at another time, perhaps after the first of the year.

The Minutes of the meeting of September 21, were read and approved.

In the absence of Emily Pfluger, our Treasurer, Mrs. Schofield read the Report, which showed a balance of \$482.15.

Mrs. Schofield announced there will be a Koffee Klatch at our November meeting, given by Mrs. Ellis and Mrs. Stockman and others, for the benefit of the "Talent Money". Our Talent Money collection has reached a total of \$60 with more to come in.

Mrs. Herbert gave us a short report on the Periodical Club and told us about 450 magazines and books, etc., had been collected. We were asked to continue to give them.

Mrs. Schofield told us of a Card Party to be held November 1, for the benefit of the Founders Committee of the Cooperative Shop, to be held in Wanamaker's Greek Hall. The tickets are \$1, plus an article which could be sold in the shop. Motion was made and seconded to buy four tickets and they could be used by any one able to attend.

Our subscription to the Church School by Mail is expiring. Mrs. Schofield asked if it was our desire to renew. It was moved and seconded that we renew the subscription which is \$7.

Mrs. Schofield read a plea from the Chinese Christian Church and Center. She had talked this over with the Rector and it was found that the Church had given \$25.00. It was decided that it was not necessary for us to give separately.

A letter was brought to our attention from Mrs. James Sands, Vice President in charge of Department of Promotion, calling to our interest that with the Advent Season soon upon us it might be a good time to study or have speakers. It was decided we might call upon them for the meetings after the new year. Several interesting speakers were mentioned, one to talk on St. Margaret's House in Berkeley, Calif., one on the Windham House. Another letter from the Department of Christian Social Relations, was read, which told us of a panel discussion entitled "Toward Better Housing". Our members seemed more inclined to hear speakers on the St. Margaret's House in Berkeley, Calif., or the Windham House. In any event the matter was to be put aside until after our Bazaar is over.

Another letter from the League of Intercessors was read and Mrs. Schofield asked if some one would not represent Christ Church at the meetings, being the second Friday of each month at 10:30, at the Church House.

Mrs. Schofield read the note from Miss Bradford which advised that Ingathering was on November 18, at 8 P. M., at St. Marks Church. Mrs. Wm. Travis, whom we included in our prayer, is to be speaker. Miss Bradford suggested the date of November 7, for our own ingathering. Mrs. Schofield stated she would ask the Rector if the Auxiliary might have corporate communion on this particular Sunday and be the first group to go to the Rail.

We were reminded that October 26 was Business Men's Luncheon and that help was needed.

Mrs. Winward told us the plans for the Hallowe'en Dance and urged all to attend.

Suggestions for raising funds for the Builders of Christ program are being received, one from Miss Dorr, who suggested that each person might send in some "tried and true" old family recipe. These could be incorporated in a book and sold.

The Bazaar was discussed at length. Mrs. Schofield told us she had decided on a menu for the dinner, so that further delay in printing for the Beacon could be avoided. It is, V-8, Fried Oysters, Baked Ham, french fried potatoes and peas, coffee and tea and desert to be selected from the baked goods table. The Price \$1.25, Children \$.65. Different tables were discussed and an added attraction would be the exhibiting of the Queen Anne silver. Mrs. Schofield is to get donation of a doll and we will guess its name. We were also asked not to buy Christmas corsages as Florence Stockman is going to make them. It is suggested that the men do the decorating - a committee of Mr. Ellis, Stockman, Redding and Winward. We were urged to get as many donations as possible and spread the word about the Bazaar. The next meeting will be an important one for completing plans and we are urged to attend.

The meeting adjourned with the Mizpah Benediction.

To the Friends of the Chinese Christian Church and Center who are contributors through the Episcopal Co-operating Committee.

Dear Mrs. Schofield:

Your prayers and interest and generous support are needed at the Chinese Christian Church and Center. This co-operative Christian service represents a unique contribution to the Kingdom of Christ in the city of Philadelphia. The Church in America is blocked at the present time from making a direct contribution to the progress of the Kingdom in China. The Bishops of the Episcopal Church have emphasized this fact in giving a directive to all Bishops to render any possible christian service among Chinese in their own Dioceses. Bishop Hart and the Executive Council have recognized that this is our opportunity. Your Episcopal co-operating Committee is more enthusiastic than ever as to its present program and development.

Dr. Wan Tong Hoh, has recently arrived as our new and very promising Pastor. In support of his program and that of the Board of Directors, on which we have three members, your Committee has accepted the same goal for maintenance of the work as last year, namely, \$2200.00; and have agreed to attempt to raise our share of \$5,000.00 for an Improvement Fund to make the old headquarters at 1006 Race Street more useful. This property has been recently acquired by the Board, since it was found too costly to build a Parish Hall adjoining the new Church. We feel that our share of this Improvement Fund would be \$1,000.00. The Chinese have their own Committee at work, and the young people are doing the painting and decorating.

The enclosed folder has been prepared in connection with the Improvement Fund appeal, and gives a description of many features of the Church program and related activities.

If you have given before we hope you will renew your contribution, and if possible give an added sum for the Improvement Fund. If giving for the first time, we will apply your contribution to our total objective of \$3200.00, unless you otherwise designate it.

Commending this most earnestly to your generous support and continuing prayers; I am,

Sincerely yours,

William P. Roberts

Dear President:

Advent, with our emphasis on Personnel will soon be upon us. Now is the time to start thinking about how we can best study and present Personnel to our Auxiliaries. There is a list of speakers available in the Woman's Auxiliary office and I do hope that you will call on us to help you plan your program. Mrs. Edmund Trudeau, our Personnel chairman, visited St. Margaret's House in Berkeley, California this summer and is most anxious to tell you about it.

Most important of all be sure to come hear MISS HELEN TURNBULL, the director of Windham House, on NOVEMBER 3rd. at 10:30 A.M. at the Church House. Bring anyone from your auxiliary who is interested. Miss Turnbull will tell us about recruiting, training and placing women workers in church work. After her talk we are planning to give you some help on how to do a program in your auxiliary.

ON WEDNESDAY, NOVEMBER 17th., MRS. GEORGE BLAND will present "This is Personnel" to the Evening Committee at 7:30 P.M. at the Church House.

Speaking of the Evening Committee, we have a wonderful group of meetings planned for Evening Presidents, officers and delegates. These meetings are on the third Wednesday of the month at 7:30 P.M. This month the evening meeting on October 20th. is on "What makes a good Auxiliary". This should be helpful to everyone.

Very sincerely,

AIM. To release one of the greatest forces in the world—the power of Intercessory Prayer.

WHO BELONG. Two groups of people make up its personnel:—

1st. "Shut-ins"—those members in every parish family, active mentally and spiritually, who because of physical handicap or some isolated way of living are prevented from sharing in the corporate work and worship of the Church and from attending meetings vital to its life and action. By this very fact these people can be most effective channels for prayer.

2nd. "Visitors"—those whose responsibility it is to be the link between the necessary physical activity in a parish and the first group—the "visited."

HOW DOES IT WORK? Always in consultation with the Rector, and acting under his supervision, a "visitor" in every parish is responsible to see that the plans and materials offered by the Church to strengthen and release the power of prayer are in the hands of the "visited."

TECHNIQUES FOR "VISITORS."

REMEMBER YOUR OBJECT:—To make each of the "visited" conscious of her great responsibility to share in the work of the Church. The realization of the Kingdom of God depends on prayer. A shut-in should recognize herself as one set apart for this great purpose.

PLAN YOUR VISIT so that you take with you something helpful.

BE RELAXED—Avoid all suggestion of hurry; seat yourself comfortably; create an atmosphere of quiet cheerfulness, without exuberance.

UNDERSTAND. Put yourself in your friend's place with understanding but disciplined sympathy.

LISTEN. This may be the greatest service you can give. Talking things out with you may be not only the release your friend needs but also may show you how you may be most helpful.

FOLLOW THROUGH. If there is something you can do after you leave, talk it over.

BEFORE YOU LEAVE, see that there has been an opportunity for prayer together, if your friend desires it.

Reverend and Dear Sir:

During the past few years the League of Intercessors has become an integral part of the Department of Prayer and Worship of the Pennsylvania Branch of the Woman's Auxiliary.

We have thought it wise to prepare a new booklet outlining the aims and purposes of the League and suggesting techniques for those who will represent it in the parishes. We are happy to enclose this booklet now. We hope that you will talk it over with those who are, or who may be, appointed by you for this work in your parish.

Certain "Helps" which we have assembled and which we suggest for leaving with the sick and shut-in may be obtained in the Woman's Auxiliary office for a nominal charge. WOMAN'S AUXILIARY OF CHRIST CHURCH
PHILADELPHIA, PENNA.

May 18, 1954

The meeting opened with prayers by Mrs. Schofield.

The Minutes from April 20, were read and approved. Mrs. Schofield advised us that the plans as referred to in the Minutes had been changed. It had been decided at the first meeting of the Steering Committee of the Builders for Christ program that the Fete should be set for the Spring of 1955, which would give us more time for planning and arrangements.

The Treasurer's Report was read and after deposits and expenditures the balance was \$221.72. The proceeds of the Lenten lunches and from other sources amounted to \$468.⁵⁰~~48~~; this brought our total up to \$690.²⁵ Mrs. Schofield made the suggestion, and it was placed before the meeting as a motion, seconded and approved that we give \$250.00 toward the Builders for Christ. This would be the first contribution from any organization toward our goal of \$4,000. Every one was very enthusiastic that this be done and the Secretary was asked to write a note to accompany the check to be given to the Rector.

An acknowledgment from Mrs. Lewis M. Evens for the money sent for the Card Party of the Convocation of North Philadelphia, was read.

It was announced that notices to the hosts and hostesses had been sent out for the next three months and that the postal card attached to the notice should be returned promptly.

No report from Girls Friendly

Miss Sweeney reported that the Altar Guild was in the process of making four sheer surplices for the Clergy for the warm summer months.

No report from Indian Hope - Mrs. deBordenave absent.

Mrs. Herbert report on Periodial Club. Books had been requested for Episcopal Hospital Lawn Fete - to be held Wednesday, May 26. There were to be many interesting booths and other features; all urged to try to attend and send articles for sale.

The Christmas Bazarre was discussed. There were not enough present to appoint Committees. We were reminded of the packages to be sent to the Church for the Parcel Post table at the Bazarre. The packages should be sent to the church in care of Mrs. Burleigh.

Mrs. Schofield again mentioned that it would be well to have a meeting in September instead of starting the meetings in October. This

would allow an extra month to start plans for the Bazarre.

It was brought to our attention that Miss Dorr is Librarian of the Bishop White Library Association, which is quite an honor. The 114th Annual Report of the Bishop White Parish Library Association is attached and made part of these Minutes. It was moved and seconded that we contribute to the Association \$10.

A small bill for Thank-offering envelops is to come in and a motion was made and seconded that Miss Pfluger have the privilege of taking care of it when received.

Mrs. Patterson reported on the activities of the Social Relations Committee - the March meeting dealt with Juvenile delinquency; the April meeting, the Housing problem and May - UNESCO. Mrs. Patterson reported in detail on the March meeting relating to Juvenile delinquency. This was most interesting and enlightening. She also told us some facts on the Foster Home Fund. A motion was made and seconded that we contribute \$5. to the Foster Home Fund.

A motion was also made and seconded that we send \$10 toward the Episcopal Hospital Lawn Fete.

Mrs. Schofield brought out the fact that during the summer months certain bills and other matters may come up and asked if an Advisory Committee, consisting of the Officers, might have authority to take care of them and in this way they would not be held up until Fall. This was put before the meeting in form of a motion and was seconded and approved.

Miss Dorr brought out the suggestion - in line with raising money for the Builders for Christ fund - that we might have replicas of Christ Church made and sell them. The members felt the cost might be excessive and would not warrant enough profit for the trouble involved.

Mrs. Schofield extended good wishes for the summer vacations and a special request that we come back in the Fall with renewed enthusiasm.

The meeting closed with the Mizpah Benediction.

Respectfully submitted,

Anna May Lucey

114th ANNUAL REPORT

OF THE

BISHOP WHITE
PARISH LIBRARY ASSOCIATION

For the Year 1953

The Bishop White Parish Library Association was founded in 1839 in memory of the first Bishop of Pennsylvania. It is beginning the 115th year of its service. Its object was to supply mission stations and remote parishes with the standard theological works of the Church. The work has lately been broadened to include those young clergymen whose salaries are not generous enough to provide bread and butter for themselves and their families and at the same time to permit the purchase of the books which are the foundation of their profession.

Only 15 parishes of the Diocese of Pennsylvania are represented at the present time by delegates who serve as officers and managers of the association and help find the funds needed to carry on its work.

The demand for books is increasing. During the year 1953, 59 grants were completed and shipped. At the last meeting alone, 49 applications were received of which 46 were approved.

The total cost of the books shipped in 1953 was \$3,184.96; the total income was \$2,687.28.

The interest and help of more parishes is greatly needed if the work is to be continued on its present scale or be extended as the Board of Managers hope it may be.

BERTHA M. LAWS
Recording Secretary

ST. BARTHOLOMEW'S EPISCOPAL CHURCH
Hempstead, Texas

"It is my understanding that your Association aids clergymen in the rural areas in the building up of their libraries. If this is correct I would like to apply for a grant.

Hempstead is a small county seat. Our population is approximately 1600, being divided almost equally between whites and negroes. The county is small being primarily agricultural (cotton, rice, watermelons and cantaloupes) in its economy, but with some ranching. We do not have the extensive mineral resources of some

of the other coastal counties—at least we have not discovered them if they are here!

The clergy are forced to rely entirely on their own collections of books for any study. Under such circumstances I am sure that you can realize how much it means to have a fairly comprehensive library. Any assistance that you might be able to grant would be deeply appreciated."

ST. JOHN'S CHURCH

"Mr. ——— has asked me to acknowledge a recent shipment of books from the Bishop White Parish Library Association. I am most grateful to the Association for these books which I could not afford to buy personally but all books which are tremendous help to a mission priest.

You will be glad to know that in the six months I have been here we have grown from 17 communicants to 56—and we had 71 communicants here at Easter; and congregations have grown from a monthly (per Sunday) average of 24 to 56 this last quarter—and we had 152 in church on Easter Sunday—all of which is most encouraging."

THANK YOU!

WOMAN'S AUXILIARY OF CHRIST CHURCH
PHILADELPHIA, PENNA.

April 20, 1954

Mrs. Schofield opened the meeting with prayers and then suggested that we would depart from the usual proceeding of the meeting as Miss Bradford had something to say to us and wanted to leave early.

Miss Bradford told us of the Thank-offering to be held Thursday, May 24, at the Holy-Apostles of the Mediator at Communion Service 10:30. Sunday May 9, would be United Thank Offering at Christ Church.

Miss Bradford also brought out the fact that the quiet of the Holy Thursday service had been so impressive and wondered if we should not have some sort of card or plaque stating that we expected reverence and quiet during our Services. The subject was discussed and the Secretary was instructed to write the Rector about it.

The Minutes from March 16, were read and approved.

Mrs. Schofield gave a special "thank you" to all who helped with Lenten lunches, the reception and other activities during the Lenten and Easter period, particularly the ladies who came to take care of the early breakfast Service. It was then called to our attention that the contributions made by Mrs. Lea had been so beneficial to the Auxiliary. The Secretary was asked to write a thank you note to Mrs. Lea.

Checks from the Independent Square Club Breakfast and Business Men's Luncheon were turned over to the Treasurer, being \$50 and \$10 respectively.

It was announced that Mrs. Ellis and Mrs. Stockman would attend the Hood College conference and it was approved that \$35 be turned over to them.

Mrs. Schofield brought to our attention that the year is closing and that there should be an election of Officers. Miss Washburn made a motion that the present Officers remain in office. It was on motion made and seconded approved that the said Officers remain.

Mrs. deBordenave reported that it was her intention to pack a box of childrens' clothing for the Supai Indians, at St. Andrew Mission. The Secretary was asked to call Mrs. Davis so that a notice could be put in the Bulletin.

The Treasurer's report was read and showed a balance of \$211.72. The Treasurer was instructed to pay certain expenses including money spent for the Reception on Palm Sunday.

Mrs. Herbert reported on the Periodial Club and stated there was a special request for theological books for shipment to Manila.

Miss Pfluger reported on the Girls' Friendly and told us they had through their own efforts raised \$10 for their own use during the meetings and \$15 for the Holiday House in Cape May.

Various notices were called to our attention and the bulletines put on the table for our information.

On motion made and seconded it was decided to send \$5 to the North Philadelphia Convocation card party - tickets to be given to those desiring to attend.

The Rector then spoke to us telling us that our so-called restaurant was gaining reputation and that the Insurance Square Club wanted to have a dinner the first monday of each month and did we feel we would be able to do it. Every one was enthusiastic and stated it would help our Treasury. He also told us he had just come from a meeting of the Volunteer Fire Company. They all seemed very interested in Christ Church and he wondered if it might be a nice idea to invite them to a dinner, possibly in the Fall. This also met with the approval of all.

The Rector then went into a discussion of the General Convention and what he had learned there and told us of the need in the Diocese for money for a Building Program. It was announced that our share at Christ Church would run to about \$4,000. Many ideas were advanced for raising money and one suggested by Mr. deBordenave was a Fair - not in the sense of previous fairs, but more of a general get together in the nature of Old Philadelphia. A display of antiques, a Chorus and musical program in the Church, lunch could be served. It was thought that possibly the first Saturday in October might be a nice time to have it. A Committee was appointed consisting of Mrs. Jane Lea, Miss Dorr, Mrs. Riley, Mrs. Ellis, Mrs. Stockman, Miss Sweeney and Miss Washburn, Chairman.

With this ahead of us, Mrs. Schofield suggested we might have an Auxiliary meeting in September instead of waiting for October, as there would be many plans and arrangements to make.

Mr. deBordenave then pronounced benediction

Respectfully submitted,

Anna May Sweeney
Secretary

April 23, 1954

Dear Reverend deBordenave:

Here I am again writing another letter to you, under instructions of the Auxiliary, but I will make it less formal this time!

At the meeting on April 20, Miss Bradford referred to the Communion Service on Maunday Thursday night. She said how impressive it was and the very quiet reverence seemed to make it more impressive. She then asked what the Auxiliary thought of bringing to the attention of yourself and the Vestry the value of having in the Church, possibly on the back of the pews, or in some prominent places cards or plaques and on them something asking that people refrain from chatter and unnecessary noise. Suggestions were made -- REVERENCE, or, QUIET WORSHIP. This would be left to the discretion of yourself, naturally. Some of those present said they thought Holy Trinity had such a suggestion. To sum it up, they all felt there was too much noise throughout the Service at Christ Church.

Dear Mrs. Lea:

At the meeting of the Woman's Auxiliary of Christ Church, held last Tuesday night, the 20th, the subject of the Lenten lunches was brought up, the profits made and the work involved. Mrs. Schofield thanked all who had done so much to make them a success.

A special motion was made and seconded that a vote -- and note -- of thanks from us all should go to you for your wonderful contributions, which added so greatly to making these lunches the success they were. We all want you to know that your unfailing support is deeply appreciated.

March 16, 1954

Mrs. Henry J. Gideon, our guest speaker, opened the meeting with prayers.

Mrs. Schofield suggested that we defer reading of the Minutes from the meeting of February 16, which was approved.

The Treasurer's report showed a balance to date of \$206.72.

We were reminded that help is needed for the business men's luncheons. We were also reminded of the Corporate Communion to be held at our Church on March 25, at 8 A.M. Mrs. Gideon urged all who could attend to do so.

Mrs. Schofield told us of Phila. Educational Week for Blind, at Gimbels, and that Episcopal Day would be March 29. Miss Dorr offered to go and help. It was moved and seconded that we give \$10.

Mrs. Schofield told us that the children of the Sunday School are trying to get subscriptions for Church News, the proceeds will go toward Lenten offering. The subscriptions are \$1 and Mrs. Galleo will be glad to take the subscriptions.

During the month, the Health Inspector had inspected our new kitchen and found everything in perfect order. Mrs. Masterson, Mildred and Amelia were required to take blood tests and the same were satisfactory.

The reports from various Committees were deferred.

Several different notices were brought to our attention, one the conference at Windham House, in New York City, 3/27/and 28, to which we might give thought to sending a delegate.

Mrs. Gideon then spoke to us on her Prayer and Worship Committee, her own experiences and the value of prayer. We all felt it was quite inspiring.

Mrs. Herbert displayed a very old quilt belonging to her family. It was handmade and quite a privilege to see.

The Meeting adjourned with a prayer by Mrs. Schofield and the Mizpah benediction.

Respectfully submitted,

SECOND STREET ABOVE MARKET

March 2, 1954

Dear Mrs. Schofield:

Miss Pfluger cannot be here tonight as she has a standing engagement to make up a table of bridge at Christ Church and St. Michael's, but she is getting up the report that you want and sending it with Mrs. Kitchenman.

I promised to relay to you the report of the Health Inspector who visited our kitchen to instruct us in sanitation measures. I find I can't do it, because he will not be making a report -- his office is so short handed that they are only allowed to make reports when they find some violation of the rules of the health department and he found none here.

The reason he visited us was that they do not have a set of printed rules for us to follow -- he had to come and explain them. There are no rules that affect your ladies -- unless they should be washing dishes -- if they are, they should use the disinfectant powder (directions on the can). This is to prevent the spread of such things as colds and virus infections, such as influenza.

The gentleman from the health department left a number to call in case we have any problems -- he will be very glad to help us at any time. He left a booklet on the preparation of meals in quantities, which lists the amounts of food to order, etc., and will gladly send us more, free of charge, if we wish them. Incidentally, he complimented Christ Church very highly on the appearance and general condition of the kitchen, which, he said, was one of the cleanest he had ever been in.

Sincerely yours,

Nora B. Davis

As part of the anniversary program there will be a Vocational Conference at Windham House in New York City, March 27-28, to promote the needs and opportunities in full-time church work for young women. We all know that mature, intelligent, emotionally stable college graduates, preferably with experience in professional work or in business, are sorely needed by the Church as full-time workers.

MORE ABOUT THE TWO 1954 MISSION STUDY OFFERING OBJECTS

I. St. Theodore's Hospital in the Philippine Republic

Answering a request from St. Theodore's Hospital for a communion set for its Chapel seemed most appropriate for a part of the Offering this year.

St. Theodore's Hospital at Sagada in the Mountain Province was started in 1912 under the direction of Bishop Brent, as a dispensary to provide medical care for the Igorots living in that district. It gradually won the confidence of the people and is now a recognized hospital with a capacity of 70 beds. The staff is composed of native Filipinos with the exception of Miss M. Louise Reiley, R.N. who is a native of Pennsylvania, from the Diocese of Pittsburgh. The communion set now being used belongs to a nearby mission and frequently is not available.

Miss Reiley writes "We would be very happy if you could have the set blessed before sending it to us. It would somehow give that spiritual touch that unites the Christian People of different races in the bonds of a true brotherhood".

We plan to use the set at the Corporate Communion on the Feast of the Annunciation, March 25th to carry out this request.

II. St. Anne's Mission, El Paso, Texas

The other part of the Offering will be used for the work at St. Anne's Mission in the Diocese of New Mexico and Southwest Texas. The work is mostly among the Mexican people although there are a few colored families as well as some Anglos and one Chinese boy, so it is really becoming an inter-racial work. The daily kindergarten, numbering 60, specializes in teaching English to the Mexican children so that they can enter the public schools without the language handicap.

The work is carried on by Deaconess Margaret Booz and Deaconess Celia Brown. The following excerpt from a letter from Deaconess Booz shows how the mission is progressing. "We feel very proud of our two Lay Readers, Spanish American young men, and now have two more who have qualified and will receive their licenses and be installed shortly. Our Bishop's Committee has elected its own Committee and they are now taking care of their own offerings. Up to now someone outside the parish has been treasurer for all funds".

Contact with St. Anne's should help us to understand more about Spanish speaking Americans, which is one of the special study subjects this year.

Please make checks payable to - PENNA. BRANCH OF THE WOMAN'S AUXILIARY, marked for Mission Study Offering and mailed promptly to 202 W. Rittenhouse Square, Phila., 3, Pa.

THE ANGLICAN CONGRESS
OF 1954, MINNEAPOLIS, MINNESOTA
August 4-13th

— SPEAKERS —

MISS ANTONIA H. FROENDT

THE SECOND ASSEMBLY
OF THE
WORLD COUNCIL OF CHURCHES
EVANSTON, ILLINOIS. AUGUST 15-31st

In 1948 Mrs. Beath was elected president of the Woman's Auxiliary, Diocese of Pa., elected by the women to be their leader and representative. The Rt. Rev. Oliver J. Hart in the Bishop's message in our Annual Report had this to say, "Mrs. Beath has given six years of superb leadership and greatly strengthened the spiritual basis of all the work." To this position she brought great ability and experience having held office in the Diocese, Convocation, and the Parish. Her training as a teacher has given her a love of, and an ability to use words vividly. The background gained through her participation in the Church's work on the Provincial and National level, make her eminently qualified to interpret for us the ANGLICAN CONGRESS OF 1954.

In 1946, Miss Froendt, a dynamic and gifted speaker, joined the American staff of the World Council of Churches, with responsibility for promoting an interest in, and knowledge of the Council and its program through writing and speaking. To this position she brought a wealth of experience. For 25 years she had served as American Secretary of the Central Bureau for European Interchurch Aid, and had also served as a War Correspondent for Religious News Service. Having been involved in the Ecumenical Movement for the last quarter of a century it would be most difficult to find anyone better equipped to prepare us for The Second Assembly of The World Council of Churches.

Together with others we will serve the luncheon on Monday, March 29th from 11:30 to 1:30. The price will be \$1.00.

Will you please ask your Auxiliary to help by contributing as much as possible and by volunteering to work on that day? Checks may be made payable to:

and sent to our Episcopal Treasurer for the day:

Mrs. Arthur W. Howe, Treasurer

7921 Germantown Avenue

Mrs. Robert Stone will be on hand to receive your home-made cakes which will be for sale. Please mark them for the Episcopal Table, Day for the Blind, because our receipts will be carefully tabulated and compared!

Volunteers for dining room service should report to Mrs. Albert Fischer at 10:30 sharp.

Also won't you ask your rector to announce this date?

Let us give the same loyal support that we have always given in the past.

WOMAN'S AUXILIARY OF CHRIST CHURCH
PHILADELPHIA, PENNA.

February 16, 1954

The meeting was opened with prayers and a welcome to all by Mrs. Schofield.

The Minutes of the meeting of January 19, were read and approved.

The Treasurer's report was read and showed a balance to date, after expenditures, of \$151.12.

Mrs. Ellis reported \$50 from the luncheon served to the Independent Square Club and \$10 from the Business Men's luncheon.

Mrs. Bradford was not present, but had sent in a bill to be paid for \$1.40, for United Thank Offering envelopes. It was moved and seconded that the bill be paid.

World Day of Prayer was brought to our attention. It will be the first Friday in Lent noonday at Central City in the First Baptist Church, 17th and Sansom Sts., from 12 noon to 2 P.M; evening service at the Arch Street Methodist Church, Broad and Arch Sts., 8 P.M. It was moved and seconded that we give \$5 to Mrs. Patterson for World Day of Prayer observance.

The Secretary's letter to the Rector and his answer regarding a Parish Meeting was brought to the attention of the Auxiliary. It was suggested that the meeting be a Shrove Tuesday meeting, March 2; that we serve crullers and coffee.

The hosts and hostesses for coffee hour were announced.

Mrs. Schofield reminded us that Palm Sunday is really the anniversary of the time Mr. and Mrs. deBordenave came to Christ Church; also that it will be confirmation. It was suggested that we have a tea; with either corsages for Mrs. deBordenave and the Bishop's wife, or centerpieces for the table. Centerpieces seemed to be the choice and they will be given to the Bishop's wife and Mrs. deBordenave. ~~On Easter Sunday there will also be centerpieces for the coffee table.~~

We were reminded of the Mikveh Israel dinner and that a great deal of help would be needed.

Various committees reported.

It was suggested that we ask Mrs. Davis to insert in the Beacon that all women of the Congregation are members of the Auxiliary and that the Auxiliary would be very grateful if they cared to contribute \$1.00 as dues. Miss Pflugar would be glad to take care of it, giving them credit.

Mrs. Schofield told us of a letter she received from Mrs. Herbert about a very old quilt which the ladies might like to see; it being handmade. It was agreed by all that we would enjoy seeing it.

Announcement was made that the flowers from the Auxiliary for those members who have passed on would be on the Altar on March 21, and it was suggested that it might be a nice idea to have flowers on the Altar one Sunday each year for the present Auxiliary as a thank-offering for the fine spirit of fellowship enjoyed as we gather for our meetings.

Mrs. Schofield told us Mrs. Davis had mentioned about a Fashion Show given at St. Andrew's Episcopal Church and that we could contact Mrs. Davis as to where we could get information regarding models, clothes, etc., if we cared to give a show.

Mrs. Masterson told us the Rector had asked her to find out if we would be interested - or what we would think of giving a dinner for the Independent Square Club members and their wives. There would be about 160 and it would most likely be on May 14. The members felt they would like to do this and that it would be a very good way of increasing our Treasury.

The Rector then joined the meeting and told us it had been the collective opinion of the vestry at a meeting the previous evening that the Parish Meeting should be in the form of a Parish Supper. They felt this would bring more members out and might prove more successful; this, of course, dispensed with our previous idea and the plans would be made accordingly.

The Rector pronounced benediction.

After the meeting, Mrs. Patterson gave us a very interesting and educational lecture accompanied by dolls which were the likeness of certain outstanding people who had contributed greatly toward a better way of life.

Respectfully submitted,

Anna May Lweeney
Secretary

WOMAN'S AUXILIARY OF CHRIST CHURCH

Meeting - January 19, 1954

Mrs. Schofield opened the meeting with prayers and a welcome to all present.

The Minutes of the meeting of November 17, 1953, were read and approved.

The Treasurer's Report was read and showed a balance to date of \$334.62.

Mrs. Schofield reminded us of our Assessment of \$31 to the Woman's Auxiliary of Penna., and the payments to the six other committees, a total of \$150.00, (\$50.00 each), making a grand total of \$181. It was moved and seconded that this amount be paid by the Treasurer.

A letter was read by Mrs. Schofield, thanking us for the flowers furnished by our Auxiliary for the table at the Prayer and Worship Committee meeting held here.

Mrs. Schofield also read a letter of appreciation for the Christmas gifts and cards sent to Christ Church Hospital.

Certain appeals were brought to our attention. Motion was made and seconded that we send \$2.50 to the Elizabeth Price Martin League for the card party for the benefit of Episcopal Hospital; also that we give the Periodical Club \$5.

The 30th Annual Benefit Luncheon of the Philadelphia Council of Churches on January 28, was brought to our attention. We were also reminded of the Business Men's Luncheon on Tuesday, January 26.

We also learned through Mrs. Schofield that Mrs. Patterson had a very fine collection of dolls representing different important people, which she exhibited in connection with an interesting lecture. It was suggested and Mrs. Patterson has agreed that we see the dolls and hear the lecture on February 16, our next meeting.

A Motion was made and seconded that the Secretary write or Phone Mrs. Henry J. Gideon and invite her to come to speak to us on the subject of the Prayer and Worship Committee, either March 16, or April 20.

Short reports from the Committees were made.

Miss Dorr gave us a very interesting account of the young clergyman, Mr. Walter Hannum, who had talked to us at our meeting in February 1953, on the Indians and their life at Fort Yukon, Alaska. He has now been assigned five churches.

Miss Dorr also told us that the Spring meeting of the Diocesan Altar Guild would be held at St. Thomas' Church, 52nd and Parish Sts., which had been so badly damaged by fire. The date will be announced later.

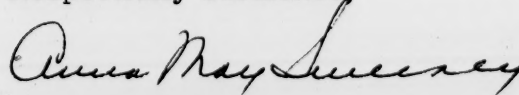

An enthusiastic discussion took place in regard to a Parish meeting and the reasons why the members felt there should be one. A motion was made and seconded that the Secretary write a letter to the Rector and ask if it was his intention to have a Parish meeting. After this is determined the Auxiliary will plan on the meeting and the arrangements. It will be left to the Rector as to whether it should be a supper meeting.

Another discussion took place regarding Coffee Hour -- whether it could not be served in a more attractive manner. It was the opinion of all that it should be a little more formal and not too much like a congregation party, instead of its real purpose -- to greet visitors and new members. It was decided that the table should be placed in such a manner as to provide better space for those pouring. It was suggested also that as the various hosts and hostesses took their turns they might dress up the table with flowers or a plant. This is not necessary, but in general it was the opinion that the table and whole arrangement could be more attractive.

It was also brought to our attention that Mrs. Davis would like to receive Christmas wrappings and cards.

The meeting closed with the Mizpah Benediction.

Respectfully submitted,

Secretary

COPY OF LETTER WRITTEN TO RECTOR RE:
PARISH MEETINGS

January 28, 1954

Dear Reverend deBordenave:

At the last meeting of the Woman's Auxiliary on Tuesday, January 19, quite a discussion took place on the subject of why we have not had Parish Meetings for the last couple of years. The group attending the meeting seemed to feel that these meetings had been successful and that many questions could be asked in a group, whereas, they lost their importance when asked individually.

On motion made and seconded, I was instructed, as Secretary, to write this letter to you to ascertain whether or not it was your intention to have a meeting this year; also with the suggestion that a Spring Meeting might bring out more members.

We are wondering, also, if you do intend to have a Parish Meeting, whether you would want to make it a dinner meeting, which could be very informal, even a covered dish supper.

Thank you for anything you might be able to tell us on the subject.

Most Sincerely,

(SGD) Anna May Sweeney

Secretary, Woman's Auxiliary Christ Church

WOMAN'S AUXILIARY OF CHRIST CHURCH

The flowers for the deceased members of the Auxiliary will be on the Altar on March 21.

Certain of the women of the Church had offered to be down early enough to prepare and serve the breakfast and a vote of deep appreciation was given for their willing service.

Mrs. Schofield read excerpts from the Report of the National Executive Board of the Woman's Auxiliary meeting of October 9, through the 12th. They were most interesting.

GOOD SHEPHERD MISSION

EPISCOPAL

MINISTERING IN NAVAJO COUNTRY

FORT DEFIANCE, ARIZONA

April 25, 1953

Dear Friends of the Mission:

This is both an expression of gratitude as well as an appeal. Your prayers, interest and support have given life to the Mission in the past.

Now, in addition to this, the United Thank Offering of the Women of the Church has given us a grant of \$15,000.00 to complete the Thorne building, making available rooms for the Staff, and, an auditorium for winter activities. God bless the U.T.O.!

After ten years of service, the Rev. David Clark relinquished the Superintendency of the Mission. We will always remember many advances made during this decade and, also, the promotional ability of Mrs. David Clark.

The Mission goes forward vigorously under the leadership of the Rev. Paul L. West, and the devoted services of the Rev. Davis Given, Deaconess Brown, and a loyal staff.

In addition to twenty nursery school children, the Mission is preparing for the return of forty boys and girls from boarding school. They can use old as well as new clothing. We will need to purchase furniture and equipment for the rooms in the Thorne building. The ever-widening influence of this Christian Mission makes your generous support more important than ever.

This spring, the Navajo Tribal Council voted to divide the Welfare Fund, they had raised among four Christian missions in the Navajo country, of which our own Good Shepherd Mission will be one. This recognition is significant evidence of progress and appreciation.

May the Lord bless you in your giving.

Faithfully yours,

Arthur B. Hinckley, Jr.
Bishop of Arizona.

FIRST - A WELCOME HOME AND WE CERTAINLY HOPE YOUR VACATION WAS ALL YOU ANTICIPATED. WE SHALL ALL BE GLAD TO SEE YOU AGAIN.

NOW, AS YOU PROBABLY HAVE GUESSED, WE WANT YOU TO DO SOMETHING. AT THE LAST MEETING OF THE WOMAN'S AUXILIARY, ON MARCH 17, IT WAS BROUGHT OUT THAT A GREAT DEAL OF RUMMAGE IS ACCUMULATING WITH PROMISES FOR MORE. THE QUESTION WAS ASKED, "ARE WE GOING TO HAVE A RUMMAGE SALE", WITH THE NATURAL QUESTION TO FOLLOW, "WHO WILL MANAGE SUCH A SALE." IT WAS SUGGESTED THAT YOU MIGHT GIVE THOUGHT TO IT. WE THOUGHT TO HAVE IT AS SOON AS WE COULD WOULD BE A GOOD IDEA AND

The Annual Donation of \$ 30.=- from *Christ Church, Phila.*
for the Maintenance of the Auxiliary Office is now due.

Dear Treasurer:

Have you gone over your Parish Budget lately? That question was asked at one of the meetings that we had for the Presidents and I wish that all of our Treasurers had been there. We said at that time, we are not dictating, your Auxiliary money is for you to spend as you please, but it does not hurt once in a while to go over your figures to see if some changes should be made. Many Branches have commitments that they must take care of in their own Parishes, but for your work outside -- in the Diocese and in the world -- your Department of Finance makes the following suggestion, based on the Budgets of the various departments and committees.

SUGGESTED DISTRIBUTION OF FUNDS for 1953.

Diocesan Committee	<i>25.00</i>	~~\$ 11.00~~	
Domestic Committee	<i>25.00</i>	13.00	These count on the
Indians' Hope Association	<i>25.00</i>	13.00	Parish Proportionate
Committee on Negro Work	<i>25.00</i>	13.00	Share (Quota)
Overseas Committee	<i>25.00</i>	16.00	
		~~\$ 66.00~~	
Christian Social Relations	<i>5.00</i>	7.00	60% of this counts on Quota
Supply Committee	<i>5.00</i>	8.00	
Diocesan Board - Maintenance Fund	<i>5.00</i>	8.00	
~~Provincial Board~~		~~1.00~~	
Miscellaneous		10.00	
		~~\$ 100.00~~	<i>150.00</i>

The "Project" is for work among the college students in the Province. For this we ask each Branch to contribute \$1.00.

You may include in one check your donations to any of the above mentioned objects. Draw your check to the "Pa. Branch, Woman's Auxiliary" and send it -- with an explanation as to how the money is to be divided -- to me at my home address.

THE BEACON

OF Christ Church

in Philadelphia

THE REV. E. A. DE BORDENAVE, Rector

VOL 2, NO. 4

THE BEACON

NOVEMBER 15, 1952

A Word From the Rector:

Did you ever wonder what the Rector does? If you haven't you aren't like most church members! And it is right that you should, so I thought that I'd tell you a little bit about my job as your Rector.

There are a lot of different angles to the job and more than I can tell about in one note, so I'll start with the most important and add notes from time to time.

The principle responsibilities of a clergyman are spelled out in the charge given to him at his ordination. This is found on page 546 of the Prayer Book. It reads "... And be thou a faithful dispenser of the Word of God, and of his Holy Sacraments; ..."

Now the principle ways a clergyman "Dispenses the Word of God" in our church are preaching and teaching. So let's start with preaching. A sermon usually is designed to be about twenty minutes long. Sometimes it is longer, sometimes it just *seems* longer. In the same way sometimes they take less time to prepare, and sometimes one just has to drag words out and put them on paper. But on the average, it takes about one hour of preparation for every minute of a sermon. This means that on the average about twenty hours a week is spent studying and writing, *just for one sermon*.

You may be interested in the way I go about this, too. Usually I try to decide early in the week what the subject ought to be for the next Sunday. A subject either jumps at me—or I worry for days before it is clear what it should be. You see, there is just one twenty-minutes each week! The question is: of all that I might talk about, what is the one thing that ought to be said this week so that people have a chance to hear from me what will help them hear what God wants to say to them? It is often a difficult decision, and often I make a mistake in judgment and find myself answering questions nobody is

DID YOU KNOW . . .

. . . that Christ Church was founded on November 15, 1695, by thirty-six men who represented almost every profession and occupation of Colonial times? There were physicians and lawyers, and bakers and sea-captains, there were carpenters and merchants, and there also were at least two pirates! (Records state that they arrived from the Red Sea with 1,000 pounds booty each.)

William Penn came to the New World with a charter from Charles II dated 1681 that provided: "Any preacher or preachers approved by the Bishop of London shall be allowed to reside in the province whenever twenty or more inhabitants express a desire that such be sent." Old Philadelphia met this proviso almost twice over, and today we of Christ Church are reaping the benefit of their faith in God and need of His counsel.

EVERY MEMBER CANVASS

November 15, the day Christ Church was founded in 1695, is the day we begin our Every Member Canvass each year. It is already under way for 1952.

For the benefit of new members, and to refresh the memory of old ones, we might say a word about the Every Member Canvass. About thirty years ago, the missionary work of our national church was consolidated. Instead of missionaries having to come home and "go begging" for support of the work they were doing, the Church itself took responsibility for supporting that work. The planning and management was made the responsibility of the National Council of the Protestant Episcopal Church. This Council presents its recommendations to the General Convention, which adopts a program and budget to support that program.

This National Budget is apportioned among the Diocese, and each Diocese then breaks its share down and apportions it among the various Parishes. In addition, of course, each Diocese has its own local missionary program which is also apportioned among the Parishes. This apportioned figure is then presented to each congregation and is the "missionary quota" it tries to raise for the coming year. What we give on the red side of our envelopes thus goes to the support of our Diocesan and National church work. This is really OUR program of missionary work and is called Diocesan and National only because they are the agencies through which OUR work is done. Those two agencies were created only that OUR work might be done more efficiently and more effectively.

Each Parish also has its own program to "preach the Word of God and to minister the Holy Sacraments in the congregation." This is what we support by the money given in the black side of our envelopes.

Christ Church's proportionate share of the Diocesan and National Church budget for 1952 is \$6,000. But there is a better way to state it. Our proportionate share is EVERY DOLLAR WE CAN POSSIBLY GIVE TO THE SPREAD OF THE GOSPEL. Nothing less should always be our goal.

For this reason we do not start with a "budget" in Christ Church. Our program starts with you and your own relationship to God in response to His gift of love to you which He has made in Christ. Once each year we make

HARVEY D. MERTZ

At a meeting of the Vestry, held on October 27, 1952, the following resolution was unanimously passed:

RESOLVED that recognizing the fact that a man becomes older in years although not necessarily in spirit, and gratefully recognizing more than thirty-five years of loyal and devoted service to Christ Church, the Vestry, after consultation with him, hereby reluctantly retires Harvey E. Mertz as of November 1, 1952,

and hereby directs that there shall be paid to Mr. Mertz a retirement pension out of the general funds of Christ Church to augment the pension which he will receive under Social Security. In addition the Vestry of Christ Church hereby makes available to Mr. Mertz, the living quarters in Washburn House which are presently occupied by Mr. Mertz.

In more direct recognition of Mr. Mertz' experience and knowledge of affairs of Christ Church and of his continuing interest in the well-being of the parish, the Vestry hereby authorizes the Rector to appoint Mr. Mertz to such honorary offices as may be deemed appropriate by the Rector and acceptable to Mr. Mertz.

In accordance with the foregoing action of the Vestry, the Rector takes this opportunity of announcing that he has appointed Mr. Mertz to the honorary office of Verger, continuing the duties which he has been performing heretofore.

a pledge of all that we can give for the work of the Church during the coming year. Our Every Member Canvass is the method of collecting these pledges. After they are received we tell the Diocese and National Church how much we expect to give. Then we plan our Parish Program—and it is planned so as to use as effectively as possible whatever money the canvass indicates will be available.

This is why EVERY member should make a pledge during the period of the canvass. Of course, pledges can be changed, or even cancelled, by simply notifying the Treasurer, so no one need hesitate to sign a pledge card. In fact, it is a part of one's Church obligations to do so.

Our Every Member Canvass Chairman for this year is Mr. James H. Stevenson, Jr. You will be hearing from him shortly.

HOSPITAL

"Latin 'hospitalis' pertaining to guests, hospitable, home."

home for almost sixty elderly ladies who enjoy each other's company, who are free to come and go as they wish, who carry on their own personal business and social activities while they live with congenial friends in a very large house set not only in its own lovely grounds but also in the midst of Fairmount Park.

November 20 is the 180th anniversary of the founding of Christ Church Hospital by Dr. John Kearsley who was a vestryman at Christ Church for over fifty years. You will recall that it was Dr. Kearsley who designed the present church building and who later helped design Independence Hall.

Dr. Kearsley in 1772 bequeathed 800 pounds, a house and lot between Mulberry (Arch) and Cherry Streets to "The Rector, Church Wardens and Vestrymen of the United Episcopal Churches of Christ Church and Saint Peter's Church in the City of Philadelphia" for building and endowing an "Infirmary or Alms House for ten or more poor or distressed Women of the Communion of the Church of England" to be called "Christ Church Hospital and not otherwise."

Well, that house was soon outgrown as were two more, and finally in 1861 the present building erected. Not only was the original house outgrown, but the original will has been broadened. There's nothing resembling "ten — poor — distressed" in today's Christ Church Hospital. It's a cheerful, lively, elderly ladies' home and anyone under three score and ten is ashamed at the accomplishments of those living there.

On a recent visit two ladies were distributing mail and they resembled modern mail trucks, not the few old dobbins who are still found in front of Christ Church each morning.

Once a week the Wool Gatherers meet in the lounge and they're not gathering wool mentally either, they're winding it for their knitting project — afghans for Tokyo General Hospital paraplegic patients. Thirty-five have been delivered; five are in the works now. Next time you're in the baby department at Jimmy Jones' Store or Strawbridge and Clothier, take a look at the knitted articles—you'll probably find some from the Christ Church Hospital ladies.

If you were ninety years old do you think you could manage all the household mending for sixty people? Or with two others do the laundering and

asking. (That's when the sermon counts the longest!)

After I decide on the subject, it boils around in my mind. It influences what reading and studying I do that week. Finally, after supper Saturday night, I lock myself up on the third floor at home and read for two or three hours, then I write for two or three more, then I sleep for a couple of hours, then I make some coffee and outline what I have written.

Driving to church after breakfast, you can imagine that I am not a very talkative companion.

Just before the eleven o'clock service I try to disappear and alone go over in my mind what I have outlined. Then the bells ring, the service starts, and when I get into the pulpit I always feel nervous and keyed up. The opening prayer and my prayer after the sermon is that God might speak to you, in spite of the very poor vehicle His Word has in my words.

I said a sermon only takes twenty minutes; it's really twenty hours. You can understand why I want to take a nap Sunday afternoon!

E. A. de Bordenave.

mending required of an Altar Guild, or keep a library of current magazines and over a hundred books accurately catalogued and checked in and out? Did you ever try to make all your own clothes, hats included? Or write a pamphlet that a professional club accepted for printing; or review current books regularly; or have an exhibit of your paintings? The last time you ran a table at a bazaar, did your accounts come out correct to the penny — the managers of the White Elephant Room never need an auditor!

But this is only a smattering of the work accomplished by the ladies of Christ Church Hospital. Come to their Birthday Party Thursday afternoon, November 20. They would love to meet the congregation and friends of Christ Church. They want to serve you tea, introduce you to the Ladies Committee who work with and for the Hospital all during the year and are the sponsors of this annual Open House. If you have ever wondered what you would do when you grew older, you won't wonder after a visit on the twentieth. Your only concern will be whether you will be eligible. That is if you aren't a man—the poor men just don't have anything as good as Christ Church Hospital!

MISS JESSIE WATTS FLETCHER

It was in 1882 that Jessie Fletcher was confirmed in Christ Church by the Rt. Rev. William B. Stevens. She lived on League Street then and played an important part in the activities of her church. She taught in the Sunday School for fifty years, and it is said that she stood sponsor for more infants at baptism than any other person. She still plays a special part for Christ Church because she is its representative at Christ Church Hospital, and at the Founder's Day Party November twentieth she will be one of the hostesses on hand to greet old friends and new.

A reunion December 1 for all those won by the Bryan Green Mission a year ago will be held at Irvine Auditorium, 34th and Spruce Streets, at 8:15 P.M. Harold Frankham will again be with Bryan Green.

DICK ROBB of the U. S. NAVY was in the Church recently and he was given a warm welcome. His travels prove that you do see the world with the Navy. He's crossed the Arctic Circle and visited Scotland, Norway and Holland. His address is: U.S.S. Coperton, DD650 c/o Fleet Postmaster, New York

On Wednesday, September 24, at 1:30 P.M. there was a Meeting of the leaders of the various branches of the Woman's Auxiliary in the Church House. I was not sure of getting there, and so I asked Miss Dorr if she would attend, in order that our group would be represented, and she graciously accepted. When I got there, a few minutes late, I found Miss Dorr there, taking notes, so we were well taken care of and I want to thank her for taking time to comply with my request.

It was a very interesting meeting, comprising reports on the General Convention by one of the clerical deputies, the Presiding Officer of the Triennial Meeting, and our Delegates from this section.

Bishop Roberts, Ex-Bishop of Shanghai, was the first speaker after the opening and remarks by our President, Mrs. Beath. Bishop Roberts gave a comprehensive explanation of how the voting takes place, what comprises the House of Bishops, and also the House of Deputies. There were 140 Bishops present.

One important question to women was brought up; at present women have no vote. Another question was the compulsory retire-

l

ment of clergy at the age of 72. The question of whether or not Episcopalians should participate in union services held by groups of protestant churches was brought up, and it was decided that the church as a whole does not encourage participation in communion services of other denominations, but that it must be left to the individual communicant as to what her or his conscience would direct.

e

Rev. Leifert of St. Asaph's Church, Bala-Cynwyd, was the next speaker, and he told us some of the financial matters that were brought up. The budget for the past year was \$5,195,468.00, and next year is \$5,929,043, representing an increase of about \$800,000.00. However, the allotment for this Diocese was not increased. It was felt that the older dioceses such as ours have been contributing more than their share for years, and that the newer dioceses should bear the brunt of the increase.

The increase was caused by the raising of minimum salaries to a higher living level; allowances for travel; work on Indian Reservations and Negro districts; Rural districts and overseas.

KINDLY MARKED FOR
Auxiliary.

Dear Madam President:

As this is the beginning of the second year of the Christmas Committee, which was organized from the Christian Social Relations, the Diocesan and the Educational departments, we are keenly interested in making our plans early in the season.

This Committee is appealing to you to continue your support for Christmas gifts from the Branches of the Woman's Auxiliary to the following Diocesan Institutions and Missions. If you desire to contribute to an institution not mentioned, if you will so specify, the Christmas Committee will be glad to co-operate.

Angora School	Phila. City Mission	St. Barnabas
Children's Service, Inc.	a. Children's Bureau	St. Cyprian
Episcopal Hospital	b. Family Service Dept.	St. Cyril
Harrison Home	c. Church Work among Blind	St. Mary's, Chester
Galilee Mission	d. Byberry	St. Mary's of the
St. Agnes House	Advent	Annunciation
St. John's Settlement	Annunciation & St.	St. Monica
St. Martha's House	Christopher	St. Paul, North Penn
	Ascension	Holy Redeemer

Church School-By mail (money for gifts)

The Philadelphia General Hospital issues its own appeal through the Elizabeth Price Martin League for Service, so it is not included in this list. If your Parish does not contribute to this League, you may designate your gift through this Committee.

Please advise the Committee as soon as possible by replying on the enclosed form what you will be able to do.

A gift of money will help us buy advantageously, and also experience the fellowship of wrapping packages together on Friday, December 12th. All women are requested to come to the Church House that day to aid in the packaging of thousands of gifts for those who would not otherwise receive a remembrance on Christmas Day.

If your members prefer to give to a specific institution, please let us know the name of the institution and the number of packages you hope to contribute.

It will simplify the work of this Committee if you can act on this letter at your September or October meeting, filling out and mailing the attached blank to the Christmas Committee Secretary, Mrs. John Braun. KINDLY MAKE ALL CHECKS PAYABLE to the Penna. Branch of the Woman's Auxiliary.

Dear Mrs. *Schofield*:

Greetings to you at the beginning of a year of work together. This letter concerns two matters of great importance.

You are invited to march in the procession, which will leave the Church House promptly at 7:30 p.m. The representatives of the Woman's Auxiliary will assemble for the procession at 7: o'clock in the Church of the Holy Trinity. The enclosed ticket is for your use only in case of rain. IT IS NOT TRANSFERABLE, as these seats will be occupied by those marching in the procession if the weather permits.

Second - Program Planning Sessions at the Church House, Tuesday evening, October 28th - 7:30 to 9: p.m. for those who find evening meetings more convenient; and Wednesday, morning, October 29th - 10:30 to 12: noon for those who prefer this hour.

The programs will be identical. Speaker: the Rev. Jesse McL. Trotter of the Virginia Theological Seminary, who will tell us how we can best prepare our parishes for the coming of the Christian Living Team to our Diocese in January and February 1953.

The Vice-President of each Department will present briefly the particular emphasis of our program for the coming year for which her Department is responsible.

Dear Miss Pfluger:

Not having had a response to the several letters I have sent you, regarding a contribution from the Women of Christ Church, I am sending this note to ask whether this group is still actively organized at Christ Church and whether you are still one of its officers.

We don't like to lose any of the organizations or individuals who have given us their support. We need their help more than ever before. New opportunities for service are constantly being presented to us and, with our limited finances, we can not undertake many of them.

We should be ever so grateful to the Women of Christ Church if we might again have a gift from them. Our fall program is just getting under way - we should like you to have a share in it.

MISS SWEENEY REQUESTED AN APPROPRIATION OF \$25 FOR THE ALTAR GUILD TO PURCHASE MATERIALS FOR SEWING. THIS WAS MOVED, SECONDED AND CARRIED.

MISS WASHBURN WAS UNABLE TO REMAIN FOR THE WHOLE MEETING, LEAVING WITH MRS. SCHOFIELD A NOTE TO BE READ, THANKING THE AUXILIARY FOR THE CARD SHE RECEIVED WHEN ILL. SHE LEFT ALSO A MEMORANDUM REMINDING US OF THE SUMMER CONFERENCE AT HOOD COLLEGE, JUNE 15, TO 21ST, AND URGED THAT A GROUP GO FROM CHRIST CHURCH.

MISS WASHBURN LEFT ALSO AN ARTICLE FROM THE NEW YORK TIMES OF MAY 20, SETTING FORTH DETAILS OF THE CUT IN FUNDS FOR THE PROGRAM OF REHABILITATION OF THE NAVAJO TRIBES, WHICH WOULD BECOME INOPERATIVE IF THE CUT TOOK PLACE. IT WAS MOVED, SECONDED AND CARRIED THAT THE SECRETARY WRITE A LETTER TO THE UNITED STATES SENATE ASKING THAT THIS APPROPRIATION BE PERMITTED TO GO THROUGH.

MRS. SCHOFIELD THEN ADVISED US THAT MRS. BAILY WHOM WE WERE TO HEAR SPEAK ON THE NAVAJO TRIBES, NEVER ACCEPTED ANY PAY FOR HER SERVICES IN THIS CONNECTION. A MOTION WAS MADE, THEREFORE, SECONDED AND CARRIED THAT WE SEND \$10 TO REV. DAVID W. CLARK, AT THE GOOD SHEPHERD MISSION, FORT DEFIANCE, ARIZONA, FOR HIS WORK AMONG THE INDIANS.

WE THEN LISTENED TO MRS. BAILY AND SAW PICTURES SHOWING LIFE AMONG THE NAVAJO TRIBES. THE WHOLE PRESENTATION WAS INTERESTING, ENLIGHTENING AND EDUCATIONAL.

MRS. SCHOFIELD ASKED MRS. PATTERSON TO GIVE US A BRIEF REPORT ON THE CHRISTIAN RELATIONS COMMITTEE.

COFFEE HOUR WAS DISCUSSED AND WE WERE REMINDED OF THE BUSINESS MEN'S LUNCHEON ON MAY 27 AND VOLUNTEERS WERE REQUESTED.

THE MEETING WAS CLOSED WITH THE MIZPAH BENEDICTION.

MY DEAR SENATOR DUFF:

ON MAY 20, THE NEW YORK TIMES PUBLISHED AN ARTICLE ON THE SUBJECT OF A PROGRAM OF REHABILITATION FOR THE NAVAJO TRIBES, WHICH WILL BECOME INOPERATIVE UNLESS THE UNITED STATES SENATE RESCINDS THE CUTS MADE BY THE HOUSE OF REPRESENTATIVES.

ON THE SAME DATE, THE WOMEN OF CHRIST CHURCH, PHILADELPHIA, PENNA., HAD THEIR SPRING MEETING AND, CURIOUSLY ENOUGH, HEARD A DETAILED DISSERTATION ON THE NAVAJO TRIBES, WITH LANTERN SLIDES ILLUSTRATING THE CONDITIONS UNDER WHICH THEY ARE FORCED TO LIVE -- NOT TOO PLEASANT A SIGHT OF AMERICAN INDIANS BY AMERICANS.

AS A RESULT OF WHAT WE HEARD AND SAW WE ARE DEEPLY CONVINCED THAT IN THE NAME OF JUSTICE, IF NOT OF SHEER HUMANITY, REHABILITATION MUST TAKE PLACE. WE, THEREFORE, APPEAL MOST URGENTLY TO YOU TO SEE THAT THE CUT MADE BY THE HOUSE IN THIS PROGRAM IS RESTORED AND THE NEEDS OF THESE TRIBES IN THEIR FIGHT FOR A BETTER LIFE ARE MET.

A program of rehabilitation for
the Navajo tribes will become in-
operative unless the United States
Senate rescinds drastic cuts made
in funds by the House of Repre-
sentatives, the Association on
American Indian Affairs asserted
yesterday.

The Bureau of the Budget in
Washington this year approved
\$20,394,000, "enough to make up
for two partially lost years and
get the ten-year program going
full speed," but the House cut out
for soil and moisture conservation.
If the Senate "will not restore the
appropriation and see that it stays
in, the program is dead," the asso-
ciation contended. 16,000 Navajo
children have no school, thousands
of youngsters under 12 years old,
according to Olivet La Fange, head
of the association, "are able to at-
tend school only because they sleep
in school house corridors, on cots
set up in classrooms, or in insani-
tary fire-trap shacks built by their
parents."

Above all, thousands of human beings, intelligent, self-respecting, yearning
only for the chance to make their own way alongside of their fellow-Americans, are
going to waste.

The matter is now before the Senate Sub-Committee on Appropriations. I myself
testified before the Sub-Committee on this matter, and received some encouragement
from its attitude. If the appropriation is to be restored, if we are to show that
just once we can keep a promise to the Navajos, not only must the Senate vote it,
but its conferees must persuade the House members of the conference committee to
accept the restoration. Those of our members who care to make their views known to
their senators, or to the members of the Appropriations Committee, will be rendering
the Navajos a real, direct service.

BUDGET CUTS MEAN ABANDONMENT OF NAVAJO PROGRAM, UNLESS RESTORED

As we write this news-letter, delegates from the Navajo Tribal Council are pleading with Congress not to destroy the Navajo rehabilitation program. Members of this Association hardly need to be reminded how that program came into being. Discussed for several years, it was worked out by the Navajo Tribe, the local Indian Service, the friends of the Navajos, and the Department of the Interior. It was carefully examined and reworked in many details in Congress, and authorized by Congress in April, 1950. It had the support of the nation. Never were Indians given more reason to believe that a promise would be kept; that at last they were to have the help they desperately need if they are to become self-supporting.

For the fiscal years 1951 and 1952, congressional cuts in the Indian appropriations and the Indian Bureau's distribution of those cuts kept the rehabilitation program in agonizingly slow motion. This year, at last, the Bureau of the Budget permitted a request for \$20,394,000 -- enough to make up for the two partially lost years and get the ten-year program going full speed. The House of Representatives threw out all of this amount except \$2,482,500 for soil and moisture conservation. If the Senate will not restore the appropriation, and see that it stays in, the rehabilitation program is dead.

16,000 Navajo children have no school to go to. Thousands of children under twelve are able to attend school only because they sleep in schoolhouse corridors, on cots set up in class-rooms, or in unsanitary, fire-trap shacks built by their parents, determined at all costs to get an education for their youngsters. Disease, above all tuberculosis, rages across that vast, harsh, arid, roadless country. Great areas of potential farming land lie crying for development.

Above all, thousands of human beings, intelligent, self-respecting, yearning only for the chance to make their own way alongside of their fellow-Americans, are going to waste.

The matter is now before the Senate Sub-Committee on Appropriations. I myself testified before the Sub-Committee on this matter, and received some encouragement from its attitude. If the appropriation is to be restored, if we are to show that just once we can keep a promise to the Navajos, not only must the Senate vote it, but its conferees must persuade the House members of the conference committee to accept the restoration. Those of our members who care to make their views known to their senators, or to the members of the Appropriations Committee, will be rendering the Navajos a real, direct service.

PAPAGO REHABILITATION AT A STANDSTILL

Four years ago, the Papago people drew up a plan of self-help that was approved by officials and experts. After a three-year delay, the needed funds were included in the Budget for 1952-53. These appropriations, including funds for reconstruction of a hospital burned down more than two years ago, have been cut from the Appropriation Bill. The Papago people appeal to us to help them get the means of self-help that is rightfully theirs. The Papago program should be restored to the Appropriations Bill.

CONFERENCE ASSESSES INDIAN ASSIMILATION TRENDS

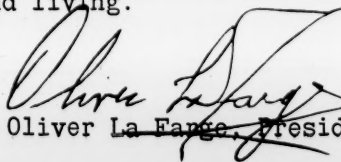

The Association's Institute on American Indian Assimilation, held in Washington May 8-10th, was a huge success. It brought in, to debate with non-Indian scientists, officials, and workers in Indian fields, an unusually large number of very able Indian leaders. The result was stimulating to all concerned, and most instructive to the non-Indians. The Indians planted in the minds of the rest a new distrust of the very word "assimilation," as they demonstrated, both in debate and in their own persons, that one need not be entirely assimilated to be extremely competent.

Following upon the successful, impressive appearance of Indian leaders at the Secretary of the Interior's hearings on attorney contract regulations last January, the Institute proves the rightness of our policy of bringing Indians from all over the country together with each other and with non-Indians. Indian self-confidence, respect for Indians, and a general increase in mutual understanding are results as important as decisions or understandings reached in the conference itself.

Those who attended urged that summary reports be made and issued promptly, and that we will try to do. In the meantime, I can report as my own strong impression that common understanding was reached on a number of important points.

It was overwhelmingly felt that the type of integration that will enable Indian groups to achieve and maintain good economic and health standards is necessary and desirable. But it was also agreed that Indian people can make the needed economic adjustments, and that many groups, like the San Carlos Apaches and a number of the Pueblos, are making them, without giving up their deeper Indian traditions and values.

I came away with a new faith in the value of human diversity, and with a new sense of commitment to help our Indian fellow-citizens retain as they may wish what is right and good in their ways of thinking and living.

Dear Mrs Schotfield

Tuesday evening.

Unfortunately, I can not be with you and the Woman's Auxiliary of Christ Church this evening which I very much regret. The Department of Christian Education of the Diocese is conducting five schools of Christian Education this fall and have asked me as a member of the Department to conduct the classes on the Church's Children from Birth to Four years at St. Marks, Frankford, for 5 nights beginning tomorrow night - at the last minute I was asked to attend a "refresher course" tonight at St. James Kingsessing, and because of my commitment to these 5 lectures - I can't very well refuse to attend the "get ready" one tonight. I am truly sorry.

The first meeting of the Department of Christian Social Relations will be held next Friday October 19th so I cannot report what will happen - However, I did attend

The Department is assuming the responsibility for 3 families of displaced persons - food, clothing, shelter and employment. Two families were present at this meeting. Mrs. George Frowbridge is in charge of this Committee. The Civil rights Committee stated that the Fair Employment Bill ~~was~~ for the State was defeated again in the Senate - this is felt to be a disgrace to the State of Pennsylvania - 20 cities and states, including Philadelphia have the Fair Employment Practice bill in operation but the reaction of the rural districts is still defeating the measure. The Report of the Race Relations Committee told of plans for a class, made up of women from the Department, to be held at Fellowship House, to study the Race tensions in Philadelphia and to learn how and what to do about

3) Theme. A Panel Discussion of "three-fourths of the Worlds People." will be the feature of Fridays meeting. Oct 19th.

It was my good fortune to attend the Race Relations Institute at Lincoln University this summer as a representative of the Dept. This was a five day Institute, drawing ~~clergy~~ clergy and lay workers from 6 denominations, covering 16 states. The enrollment was about equally divided between the negro and the white races. The subject was mostly the Integrated Church dealing with the pronouncement of the National Council of Churches "A non-segregated church in a non-segregated society". It was a most enriching experience. I have visited Fellowship House farm twice this summer and Fellowship Commission twice - and was representative for the

Governor Fine gave the opening address and Norman Cousins was the ~~dinner~~ ^{main} speaker. The Department of Christian Social Relations was a sponsor of this celebration. The years work ^{of the Commission} will be outlined at a meeting which I am to attend next week - at our next ^{auxiliary} meeting there will be more to report - since we seem to be just a little ahead in our meeting date, of the organizations which I have the honor to represent for the Woman's Auxiliary of Christ Church - Again, my sincere regrets - I'd much rather be at Christ Church tonight

DEAR MRS. BEATH:

THE WOMEN'S AUXILIARY OF CHRIST
CHURCH, 2ND AND MARKET STREETS, IS MOST ANXIOUS TO HAVE YOU COME TO
SPEAK TO US AT ONE OF OUR MEETINGS.

WE HOLD OUR MEETINGS THE THIRD
TUESDAY OF EACH MONTH, AT EIGHT O'CLOCK. WE FEEL YOU CAN ENLIGHTEN
US A GREAT DEAL AND EXPLAIN TO US HOW WE CAN DO MORE TO MAKE OUR
AUXILIARY A SUCCESS.

WE SHALL BE VERY GLAD TO HAVE YOU
CHOOSE A NIGHT CONVENIENT TO YOURSELF, WITH ONLY THE SUGGESTION THAT
IT BE AFTER THE MEETING OF NOVEMBER 20, AS OUR PRESIDENT WILL BE
UNABLE TO ATTEND THAT PARTICULAR MEETING AND WE DO NOT WANT TO
DENY HER THE PRIVILEGE OF HEARING YOU.

LOOKING FORWARD TO HEARING FROM YOU,

SINCERELY,

SECRETARY
WOMEN'S AUXILIARY OF CHRIST CHURCH,

A LETTER WAS READ FROM THE WOMAN'S AUXILIARY OF TRINITY EPISCOPAL CHURCH, MORGANTOWN, WEST VIRGINIA, APPEALING FOR A DONATION TOWARD THEIR BUILDING FUND. THIS WAS REFERRED TO THE FINANCE COMMITTEE FOR CONSIDERATION.

TWO REQUESTS WERE READ, ONE FROM THE SUPPLY COMMITTEE FOR \$10 FOR READY-MADES; THE OTHER FROM THE CHURCH WORLD SERVICE COMMITTEE FOR EXPENSES OF \$2 IN CONNECTION WITH SHIPPING PACKAGES TO KOREA. THESE EXPENDITURES WERE APPROVED AND REFERRED TO THE TREASURER FOR PAYMENT.

MRS. SCHOFIELD BROUGHT TO OUR ATTENTION A LETTER RECEIVED FROM THE CHRISTMAS COMMITTEE OF THE PENNA. BRANCH OF THE WOMEN'S AUXILIARY FOR CHRISTMAS GIFTS. THIS WAS REFERRED TO THE FINANCE COMMITTEE FOR CONSIDERATION.

MRS. SCHOFIELD ANNOUNCED THAT IT HAD BEEN DECIDED THE CHRISTMAS BAZAAR WOULD BE HELD FRIDAY, NOVEMBER 30. IT WAS SUGGESTED THAT A DINNER BE SERVED FIRST AND BECAUSE OF THE NEARNESS TO THANKSGIVING IT MIGHT BE WELL TO SERVE BAKED HAM INSTEAD OF TURKEY. TYPES OF BOOTHS WERE DISCUSSED AND MORE OR LESS FIXED AT:

GIRLS' FRIENDLY	CANDY
MARY & JOSEPHS	KITCHEN
DOROTHY WILEY-JEAN FROLICH	PARCEL POST TABLE
ALTAR GUILD	XMAS GIFT BOOTH
GOLDEN AGE CLUB	FANCY WORK
SUGGESTIONS FOR TABLES WERE	JEWELRY
	CAKE
	SOFT DRINKS, ETC.

MRS. SCHOFIELD SUGGESTED A VACATION SPECIAL BOOTH. IT IS, OF COURSE, TOO LATE FOR THIS TO BE IN THIS YEAR'S BAZAAR, BUT WOULD BE WELL TO KEEP IN MIND FOR NEXT YEAR. EACH PERSON GOING ON VACATION IS TO BUY SOME ARTICLE OF NOT MORE THAN 50¢ AND SEND IT TO A DESIGNATED PERSON AT THE CHURCH. IT IS ON THE ORDER OF A PARCEL POST TABLE, WITH THE ADDED VALUE OF EACH ARTICLE COMING FROM A PLACE OF INTEREST.

THE SUBJECT OF OUR NEXT MEETING WHICH WOULD BE NOVEMBER 20, WAS BROUGHT UP AND MRS. SCHOFIELD STATED SHE HAD A VERY IMPORTANT ENGAGEMENT, AND ASKED THE PREFERENCE OF THE MEMBERS, TO HAVE A SUPPER MEETING, 6 TO 8:15 OR HAVE THE MEETING AT THE STATED TIME, 8 O'CLOCK, AND BE CONDUCTED BY MISS DORR, VICE PRESIDENT. IT WAS MOVED, SECONDED AND CARRIED THAT THE MEETING BE AT 8 O'CLOCK.

IT WAS ALSO SUGGESTED THAT IT MIGHT BE INTERESTING TO HAVE SPEAKERS COME TO OUR MEETINGS DURING THE WINTER MONTHS. IT WAS DECIDED THAT WE INVITE MRS. BEATH, PRESIDENT OF THE WOMEN'S AUXILIARY OF THE DIOCESE OF PENNA., AS OUR FIRST SPEAKER. A LETTER IS TO BE SENT TO MRS. BEATH AND WILL BE REPORTED ON LATER.

THE MEETING ADJOURNED WITH THE MIZPAH BENEDICTION.

MRS. F. FEHELEY, SECRETARY

WOMEN'S AUXILIARY OF CHRIST CHURCH

April 19, 1951.

The meeting was opened with the Auxiliary prayer.

Since minutes were not kept during the informal March meeting, the minutes of the previous meeting of February 20 were read. These were approved.

Miss Pfluger, treasurer, accepted payment of the yearly \$1.00 dues from some of the membership. The treasurer's report was read, showing a balance to date of \$352.12. The gift given to Mr. Mertz on his anniversary was \$35.00, and this action was sustained.

Mrs. Ellis reported that the luncheon given for Location 1812 was successful. The profit was over \$11.00.

Mrs. Jessum advised that a check for \$25.00 has been received from the Wattis Plan. She presented a bill of \$1.82 for postage; a motion was made and seconded that she be paid. The Frankford Unity Plan ends, for this year, on May 5. It was suggested that labels for both plans be saved during the summer.

A bill for \$2.00 has been received from the Pa. Branch of the Women's Auxiliary. A bill for \$3.00 has been rendered, the cost of refreshments to be served after this meeting. The motion was made and seconded that both of these be paid.

Mrs. Schofield received a note from Mrs. Lea discussing the rummage sale to be held Friday, April 27, between 11:00 A.M. and 3:00 P.M. Volunteers are needed to sort and price the goods on Thursday, and to sell on Friday. She also said the Fair of Old Philadelphia again will be held in conjunction with Elfreth's Alley Day. This will be discussed further at the next meeting.

Reports were heard from committee representatives:

Mrs. Patterson was unable to be present, but mailed her report of the Christian Social Relations meeting, which Mrs. Schofield read.

Miss Washburn reported that the Diocesan Committee had visited St. John's Settlement House.

Miss Howell said the Domestic Committee heard an address by the Reverend Harris.

Miss Dorr reported on the latest works of the Diocesan Altar Guild.

Miss Bradford spoke of the United Thank Offering, the Ingathering to be Thursday, May 17.

A vote was taken concerning the changing of the scheduled meeting dates. It was decided that Tuesday evening is more practical for the majority of the membership; therefore, in the future the business meetings will be held on the third Tuesday of each month. Since the next meeting on May 15 will be the last of this season, Mrs. Schofield suggested a covered dish supper, with a meat dish supplied by the Auxiliary. This was agreed. The charge will be \$0.10.

Mrs. Stockman, president of the Mary Volunteers, said that organization will no longer need the monthly \$5.00 given them for serving at the Business Men's luncheons. They will continue to serve, however. The next luncheon will be Tuesday, April 24.

The Convocation of North Philadelphia will hold a dinner meeting here on Tuesday, May 8. It was tentatively decided to have a caterer prepare the food, and the Auxiliary to serve. Mrs. deBordenave will relay this message to the Rector for his approval.

A motion was made and seconded to give Mr. Whidden \$132.30 to reorder plates, since this is a source of income.

It was also agreed to send \$150.00 to the Pa. Branch of the women's Auxiliary to the National Council. This includes \$25.00 for each of the six previously selected groups, as outlined in the budget.

An appeal has been received from the House of Rest, which is included in our budget; however, this donation will be made sometime in the future, since our treasury is temporarily depleted.

The Episcopal Hospital has requested donations of books to be sold at their May Fete. These can be brought to our May meeting and forwarded.

A letter has been received from the Phila. Council of Churches requesting individual memberships.

Mrs. Schofield appointed a nominating committee for the election of officers, including Miss Washburn, Miss Dorr, and Miss Ennis. The election will be held next month.

The meeting was adjourned after the Mizpah benediction.

Respectfully submitted,

Mrs. F. Feneley

February 20, 1951

The business meeting followed the Rector's Tuesday Evening Lenten discussion. Our president, Mrs. Schofield, led the opening prayers and welcomed the group.

The minutes of the last meeting of January 18 were read and approved.

There is no treasurer's report because of Miss Pfluger's absence; however, she has advised Mrs. Schofield that the balance to date is \$392. 08.

Mrs. Patterson read the proposed budget as composed by the budget committee, the head of this committee, Miss Washburn, being ill. The budget was further explained by Mrs. Schofield. The motion was made and seconded that the budget, as proposed, be adopted.

It was suggested that annual dues of \$1.00 per year be paid by the membership. This motion was made and seconded, the dues to be payable as convenient.

Mrs. Jessum requested that Unity labels be saved, as well as labels for the Wattis plan. She suggested that next year we share with her college group, in order to obtain more of the scarcer labels. This was agreeable.

Mrs. Schofield requested extra help for next Tuesday, the 27th, since both the Lenten luncheon and the Business Men's luncheon are scheduled.

Mrs. Patterson will represent our Auxiliary at the Christian Social Relations meetings, replacing Mrs. Hendrickson, who is unable to attend. Mrs. deBordenave will also represent this Auxiliary.

Volunteers are asked to serve during the coffee hour in March. Mrs. Proctor suggested that the men be called upon, and she will make this request. This was satisfactory.

Mrs. Florence Stockman and Mrs. Ellis will take charge of the luncheon requested by Location 1912. Details have not been received as yet.

It was reported that attendance at the Lenten luncheons so far is satisfactory and promising.

The meeting was adjourned after the Mizpah benediction.

Respectfully submitted,

Florence Fehely

Mrs. F. Fehely, Sec'y.

WOMEN'S AUXILIARY OF CHRIST CHURCH

January 18, 1951

Our president, Mrs. Schofield, led the opening prayer after welcoming the group.

The minutes of the previous meeting, November 16, 1950, were read and approved

Miss Pfluger gave the treasurer's report, showing a balance to date of \$445.85.

Mrs. Schofield reviewed the correspondence that has been received, including an acknowledgement from Chaplain Ward of Philadelphia General Hospital for candy and cigarettes, a letter of appreciation from the retiring president of the Neighborhood Business Men's Association, and a note of thanks from Miss Smith of Christ Church Hospital for the Pollyanna Christmas gifts.

A notice was received from the Oversea's Committee announcing that their meetings will be held the third Wednesday of every month. Mrs. Schofield suggested that one of our members volunteer to represent our Auxilliary, but no-one responded at this time.

Mrs. Brady, (Miss Simpson) forwarded a letter she had received from the State Chairman, Location 1812, Soldiers and Sailors Graves, asking our Auxilliary to take responsibility for a luncheon to be given April 4. It was decided to discuss this further at the next meeting.

After making a financial report for Mr. deBordenave's information, The total expenses of the Auxilliary for last year, 1949-50, were found to be \$560.78. After discussing the work of the Auxilliary with Mrs. Schofield, the Rector suggested a budget be made covering expenses for both Guild and Auxilliary work. This being satisfactory with the membership present, Mrs. Schofield appointed Miss Washburn to head a budget committee, with Mrs. Patterson and Mrs. Proctor and officers of the Auxilliary to be ex-offio members. This committee, after studying past expenditures, will present a budget at the next meeting for the approval of the membership.

It was decided to wait for the report of the budget committee before answering any appeals that have been received; however, it was agreed that the Diocessan Assessment of \$31.00 be paid, and that \$5.00 be contributed to the offering for the World Day of Prayer, and also that we pay the bill of \$10.00 rendered by the Episcopal Supply Committee for Ready-Mades. The motions were made and seconded.

It was announced the Episcopal Hospital will hold a card party January 24 at the Barclay Hotel, \$5.00 per table.

Our next meeting is scheduled for February 15. Many of our members will attend the Mikveh Israel dinner for our congregation on February 14, and many will be here regularly on Tuesday evenings to attend other meetings; therefore, for convenience, it was decided to hold our next meeting on Tuesday, February 20.

It was announced by Mrs. Lea that the rummage sale will be postponed until April or May, because of the full Lenten program.

Mrs. Lea led the discussion concerning the luncheons to be held each Tuesday, Wednesday, and Thursday during Lent. Mrs. Proctor will take charge of the Tuesday luncheons, when Brunswick stew will be served, the charge to be \$.50 plus \$.10 for dessert. On Wednesdays, Mrs. Hendrickson will take responsibility, and the menu will vary as in previous years. The charge will be \$.75 including dessert. Thursdays, spaghetti and meat balls will be alternated with baked beans and frankfurters, the charge to be \$.50, and \$.10 for dessert. A sub-chairman has not yet been appointed. Volunteers are welcome to serve on any of the three days, and are asked to bring desserts which will be supplemented with bought desserts. Publicity has been arranged, but Miss Dietrich will also notify newspaper columnists.

Mrs. Gough has Lenten sewing available and anyone interested may contact her.

Mr. de Bordenave invited everyone to attend a discussion group to be held in his study at 6:15 P.M. each Tuesday evening during Lent. This will be sponsored by the Altar Guild. Coffee and dessert will be served.

Miss Bradford reported that \$103.51 has been received for the United Thank Offering, but that this is not the total sum. A bill for \$1.95 was presented for prayer cards and the United Thank Offering envelopes. It was moved and seconded that she be paid.

After the Mizpah benediction, the meeting was adjourned.

Respectfully submitted,

Stanley Feheley

Mrs. F. Feheley, Sec'y.

WOMAN'S AUXILIARY OF CHRIST CHURCH

November 16, 1950

Our president, Mrs. Schofield, led the opening prayers.

Because she could not remain for the entire meeting, Miss Bradford briefly reported on the United Thank Offering, and distributed printed prayers. Mrs. Schofield then welcomed the group.

The minutes of the last meeting, October 19, 1950, were read and approved.

Miss Pfluger read the treasurer's report, showing a balance to date of \$240.79.

A gift of \$15.00 has been sent by Mrs. Schofield to Christ Church Hospital for their dessert-bridge. A motion was made and seconded that her action be sustained.

Mrs. Ellis reported that the Hallowe'en party given by the Joseph and Mary Volunteers was successful, and she thanked everyone for their support.

A letter has been received from Miss Smith of Christ Church Hospital, enclosing twelve Pollyanna names. These were given out to those of our Auxiliary who so desired.

The Business Men's Luncheon will be held Tuesday, November 28. In December the luncheon will be held on the third Tuesday, December 19. Ten dollars has been received for the October luncheon, but since our records do not show payment for the September luncheon, Mr. Whidden will investigate. Meanwhile, half the amount for both luncheons, or \$10.00 total, will be turned over to the Joseph and Mary Volunteers, as agreed.

Miss Washburn reported that the dessert bridge held at Christ Church Hospital today was greatly successful. Mrs. Schofield suggested that some Sunday afternoon next spring we have a box lunch picnic on the lawn of the hospital. The Rector has been consulted, and plans will be made at a later date.

Volunteers were asked to serve during the coffee hour for December. Mrs. Yaeger will contact the younger group.

Mrs. Jessum advised that we now hold sixteenth place in the Wattis plan contest, and asked continued support.

The date of January 26 was set for the rummage sale, and will be planned during the January meeting.

Mrs. Lea led the discussion of the dinner to be served at the bazaar December 1. It was decided that a choice of turkey or fish be given, and to charge \$.75 per platter, \$.50 for children under twelve. Mrs. Lea asked for volunteers to serve, and said that donations will be welcomed.

The booths will be arranged as follows:

- Altar Guild - candy
- Girls Friendly Society - Fancy goods
- Mary and Joseph Volunteers - Novelties
- Young People - Ice cream and soda
- Auxiliary - Cakes
- Golden Age Club - Handiwork
- Bishop White Club - Vards

Volunteers are asked to aid in sewing costumes for the Christmas pageant.

An acknowledgement has been received from the House of Rest for our donation of \$5.00. Also, a note of thanks from Mr. and Mrs. Baur was received and read by Mrs. Schofield.

It was moved and seconded that we dispense with the December meeting.

Miss Dorr reported that she had contacted members of the Coates family concerning the refinishing of the candelabra and that she will follow up when details, such as cost, are available.

After the Mizpah benediction, the meeting was adjourned by Mrs. Schofield.

Respectfully submitted,

Morothy G. Feheley

Mrs. F. E. Feheley, Sec'y.

WOMEN'S AUXILIARY OF CHRIST CHURCH

October 19, 1950

Our president, Mrs. Schofield, led the opening prayers.

The minutes of the last meeting of September 21 were read; the name Conrad was corrected to Conradi, and the minutes were then approved.

The treasurer's report was omitted because of Miss Pfluger's absence; however, she mailed in a report showing a balance to date of \$292.79.

It was announced that additional contributions for the Baur's farewell gift have been received, leaving a balance of only \$1.20 to be paid from the treasury.

Mrs. Schofield introduced the guest speaker, Miss Marion Smith, Superintendent of Christ Church Hospital. After her talk, it was agreed that about twelve of our membership would volunteer to act as Pollyannas to persons from the hospital; Miss Smith will send the names to Mrs. Schofield for distribution.

After discussion, it was decided that a rummage sale be held in January.

A motion was made and seconded that the Bazaar be held Friday, December 1. Mrs. Lea will head the committee to arrange the dinner to be held in conjunction with the bazaar.

Miss Washburn asked support of a dessert-bridge to be held November 16 at Christ Church Hospital.

Announcement was made of a Halloween dance to be held November 3 by the Joseph and Mary Volunteers, for the benefit of the Sunday School children's Christmas party.

Reminder was made of the United Thank Offering

The next Business Men's luncheon will be held next Tuesday, October 24.

A motion was made and seconded that a donation be made to the House of Rest for the Aged, the amount to be the same as given in previous years. It was also moved and seconded that \$7.00 be donated to the Church School by Mail.

A suggestion was made by Miss Washburn that a list of our obligations for the full year be made, rather than voting on them one by one; in this way we would be better able to budget our finances; the suggestion will be taken into consideration.

The Rev. Ward, Chaplain of the Philadelphia General Hospital, has requested cigarettes, candy, etc. for Christmas for his patients. It was decided that Mr. Proctor be authorized to purchase the same

amount of goods as given last year.

Reminder was made that the United Nations Day Celebration will be held at the Academy of Music on Oct. 24 at 8:30 P.M.

The candelabra in the church is now being refinished. The Auxiliary will assume the cost as was agreed last year, however Miss Dorr will contact the family of the original donors to ask if they will contribute.

Mrs. Gough reported that she had received word from the Northeast Convocation, and asked that our donation to them be mailed, if this was not done last year, when a collection was taken for this purpose. This will be referred to Miss Pfluger, our treasurer.

After the Mizpah benediction, the meeting was adjourned.

Respectfully submitted,

Charothy G. Feheley.

Mrs. F.E. Feheley, Sec'y.

WOMEN'S AUXILIARY OF CHRIST CHURCH

September 21, 1950

The business meeting of the Women's Auxillary was preceded by a parish dinner and discussion led by Mr. deBordenave; this primarily concerned World Wide Communion to be held October 1, and the every member visitation to be completed by that date.

Because of insufficient time, the minutes of the last meeting on May 18, 1950, and the treasurer's report were not given.

Mrs. Schofield said that a letter from the Council of Churches has been received, highly recommending the motion picture "Stars in My Crown".

Reminder was made that the Business Men's Luncheon will be held this Tuesday, Sept. 26, and that help for serving is still welcome.

Mrs. Jessum requested that labels for the Wattis Plan contest be turned in promptly, since it is important to gain a good start in the new season.

Mrs. Schofield said she hopes to have a speaker from Christ Church Hospital to address this group at the October meeting. It was decided that this will not be a dinner meeting, especially since Mr. deBordenave plans to have a parish dinner-meeting in November.

The meeting was briefly interrupted in order that Mr. Lentz could present a bouquet of roses to Mr. and Mrs. Conrad in honor of their 50th wedding anniversary.

Mrs. Schofield reported that all the money for the farewell gifts for Mr. and Mrs. Baur had been donated except for \$7.50, which was taken from our treasury. This will be replaced with incoming funds.

A question was raised concerning the replacing of the worn carpet in the Sacristy. Since there are insufficient funds in the treasury at present to assume the cost of a new rug, a motion was made and seconded that the subject would be reopened after the Diocessan assessment.

After the Mizpah benediction the meeting was adjourned by Mrs. Schofield.

Respectfully submitted,

Marthy G. Feheley

Mrs. F. E. Feheley, Sec'y.

WOMEN OF CHRIST CHURCH

May 18, 1950

The business meeting of the Women of Christ Church was preceded by a parish dinner, after which the Reverend Mr. deBordenave discussed the reorganization of church work. The Men and Women then held their separate meetings.

After the Auxiliary prayer, Mrs. Schofield welcomed the group. The minutes of the last meeting and the treasurer's report were not read because of insufficient time.

Mrs. Gough reported on the Convocation meeting she had attended. A motion was made and seconded that a collection of ten cents be taken from each of our members present for the convocation. Mrs. Gough also asked for aides to serve at lunch or dinner at the Episcopal Hospital May Fete on May 24. Volunteers for the dinner were Mrs. R. Proctor, Mrs. Schickner, Mrs. Galleo, and Mrs. F. Stockman.

Mrs. Lea briefly discussed plans for the Fair of Old Philadelphia to be held in the church courtyard on June 3. She asked the support of everyone.

The Business Men's luncheon will be held this Tuesday, May 23.

The following were elected to office for the coming year;

President: Mrs. C. Schofield
1st Vice President: Mrs. Hendrickson
2nd Vice President: Miss Dorr
Secretary: Mrs. F.E. Fehely
Treasurer: Miss E. Pfluger.

Mrs. Schofield requested that a volunteer accept the Chairmanship of the Program Committee; Mrs. Lea will consider the position and advise of her decision in the fall.

The next meeting of Auxiliary Presidents will be held May 26 at 10:30 A.M. at St. Luke and The Epiphany. Mrs. Schofield will be unable to attend, but Miss Dorr will plan to be present, and Mrs. Hendrickson also will attend if possible.

A request for a contribution was received from St. John's Settlement House. No donation has been made previously. It was moved and seconded that \$25.00 be given.

Miss Washburn again mentioned that there are insufficient kneeling cushions in the church pews. A motion was made and seconded that a letter be written to the Vestry suggesting that this improvement be made.

The next meeting will be held in September, in accordance with the Rector's plan to again hold a parish dinner and discuss future plans, then separate for business meetings.

Mrs. Schofield suggested that the name of this group be changed to the Women's Auxiliary of Christ Church, and that in the future we function as regular auxiliaries usually do. This was agreed.

After the Mizpah benediction, the meeting was adjourned.

Respectfully submitted,

Lorothy F. Fehely

Mrs. F. E. Fehely, Sec'y.

Members of the Vestry,

Philadelphia, Pa.

Gentleman,

It is our intent to call to your attention a condition which, we feel, warrants some consideration on your part.

Comments have pointed out, and experience has shown, that the present number of kneeling cushions in the pews of the church is inadequate.

Since it is not practical at the time of service to concentrate the present cushions, it would seem advisable to provide a sufficient number to accommodate the full seating capacity of the pew.

We feel that you will agree when we say that because of the pew construction, kneeling cushions are a necessity rather than a luxury.

We hope you will be able to take some favorable action on this suggestion, as we feel it would serve our common interest, the betterment of Christ Church.

Respectfully,

Mrs. F. E. Feheley, Sec'y.

The meeting was opened with prayers offered by Mr. Baur and Mrs. Schofield. After the Lord's Prayer, Mrs. Schofield welcomed the group.

Concerning the improvements in the chancel, the new dossel is being completed, and two of the six altar rail cushions have been repaired, at a cost of \$4.50 each. A motion was made and seconded that the two cushions used by the clergy also be refinished. The candelabra cannot be refinished at this time because of their gas-pipe installation. This condition will be rectified and the work continued then. It was mentioned that the Bible markers need replacing, and also that additional kneeling cushions in the pews would be useful. No action was taken.

A question was raised in regard to the fact that auxiliary funds should be spent on missionary work. It was explained that since this organization is not functioning officially as an auxiliary, it is necessary that we do both missionary and parish work.

Mr. Baur announced that he plans to have Mr. de Bordenave instituted as soon as the Bishop is free to conduct the service. He would like the Women to arrange a reception. It was moved and seconded that sandwiches be purchased. Details will be planned when a date is set.

Mr. Baur said the rector plans to hold three meetings per year of the men's organization, these to be preceeded by a dinner. The first will be held May 18. He questioned whether the women's organization would take the responsibility for the dinner. This was agreed, providing dishwashers be hired.

WOMEN OF CHRIST CHURCH

April 20, 1950

The meeting was opened with prayers offered by Mr. Baur and Mrs. Schofield. After the Lord's Prayer, Mrs. Schofield welcomed the group.

The minutes of March 16 were read. One correction was made, that St. Mark's Episcopal Church is located in Frankford and not Germantown; the minutes were then approved.

Miss Pfluger gave the treasurer's report, showing a balance to date of \$418.55.

After Mrs. Schofield commended the volunteers who served the lenten luncheons, Mrs. Hendrickson reported a profit of \$174.90. This amount is less than last year because of higher food costs, and a loss taken on Ash Wednesday.

A bill for \$5.00 was rendered by Mrs. Schofield for sandwiches served at the reception for the Bishop and confirmation class. A motion was made and seconded that this be paid.

Mrs. Jessum was thanked for her work in connection with the Wattis Plan. She reported that \$25.00 had been made, and presented a bill for \$3.44 for expenses involved. It was moved and seconded that she be reimbursed. It was decided to wait until fall to determine whether or not to continue in this contest.

A letter of appreciation was received from Chaplain Ward, of the Phila. General Hospital, for chocolate eggs and cigarettes received. Mrs. Schofield said that to the \$5.00 given by this organization, \$25.00 was added by the Joseph and Mary Volunteers, and that she would notify Chaplain Ward of this.

Concerning the improvements in the chancel, the new dossel is being completed, and two of the six altar rail cushions have been repaired, at a cost of \$4.50 each. A motion was made and seconded that the two cushions used by the clergy also be refinished. The candelabra cannot be refinished at this time because of their gas-pipe installation. This condition will be rectified and the work continued then. It was mentioned that the Bible markers need replacing, and also that additional kneeling cushions in the pews would be useful. No action was taken.

A question was raised in regard to the fact that auxiliary funds should be spent on missionary work. It was explained that since this organization is not functioning officially as an auxiliary, it is necessary that we do both missionary and parish work.

Mr. Baur announced that he plans to have Mr. de Bordenave instituted as soon as the Bishop is free to conduct the service. He would like the Women to arrange a reception. It was moved and seconded that sandwiches be purchased. Details will be planned when a date is set.

Mr. Baur said the rector plans to hold three meetings per year of the men's organization, these to be preceded by a dinner. The first will be held May 18. He questioned whether the women's organization would take the responsibility for the dinner. This was agreed, providing dishwashers be hired.

A motion was made and seconded that another gross of plates be ordered, since the present supply is low.

Miss Washburn, our representative to the Diocessan Committee of the Women's Auxiliary, said she had visited the James Smith Memorial Home in Oakburn. She also reported that the provincial conference will be held at Hood College in Frederic, Md., from June 11 to 17.

Miss Dorr suggested a welcoming letter be written to the rector and his family. She accepted the responsibility.

Miss Bradford spoke of the Ingathering of the United Thank Offering, to be held May 7 for our members.

Mrs. Lea discussed the Fair of Old Philadelphia, to be held June 3 in conjunction with the affair held in Elfreth's Alley. Luncheon will be served from 10:30 A.M. to 4:00 P.M.

The Mary Volunteers will prepare the dinner for the Diocesan Girls Friendly Society, and our Girls Friendly group will serve, on April 27. It was moved and seconded that the Mary Volunteers receive one-half the profit.

Volunteers to serve the Business Men's luncheon are reminded that the next one is Tuesday, April 25.

It was announced that the annual meeting of the Women's Auxiliary to the National Council will be held May 22 at 3:30 P.M. at the Church of the Holy Trinity, dinner at 6:45 P.M. at the Y.W.C.A., 2027 Chestnut Street.

A motion was made and seconded to renew a \$25.00 donation to the Phila. Council of Churches. Individual memberships can be obtained from Mrs. Schofield.

An invitation was extended by the Brotherhood of St. Andrew to hear an address by Colonel Paul Rusch, a lay missionary from Japan, at Holy Trinity church, on April 24, at 8:00 P.M.

At our next meeting on May 18, election of officers will be held.

After the closing prayer, the meeting was adjourned.

Respectfully submitted,

PENNSYLVANIA DIOCESAN ASSEMBLY
THE BROTHERHOOD OF ST. ANDREW

April 6, 1950

Dear fellow members in Christ:

One of the richest opportunities of life in the Church will be offered the Diocese of Pennsylvania, its clergy and laity, men and women, young and old, at Holy Trinity Church, Nineteenth and Walnut Streets, Philadelphia, April 24, 1950, at 8:00 p.m. At that time, Paul Rusch, one of the great lay missionaries of our time, will visit Philadelphia to speak to a mass meeting on the entire missionary enterprise of our Church in Japan before, during, and after the late war.

Mr. Rusch is Executive Vice President of the Brotherhood of St. Andrew in Japan. This is our Church's official organization of the men, young men and boys among our Japanese fellow communicants. It holds its charter directly from the Japanese government.

Mr. Rusch served for four years as Lieutenant Colonel under General MacArthur on the Intelligence Staff of General Army Headquarters in Tokyo. He was for seventeen years professor of economics at St. Paul's University, Tokyo. During the same period, he was assistant to the director of St. Luke's International Medical Center in Tokyo, considered to be the outstanding medical center in the Far East.

Colonel Rusch, a layman, is dedicating his remaining years to the spread of the Gospel among Japanese youth, and to turning the tide of their devotion from the false gods of Communism to the worship of the one true God, Our Father, the Father of all men. He will speak from more than twenty years of firsthand knowledge of the impact of the Good News of our faith on a Far Eastern culture. One of our Bishops has said that in Colonel Rusch's work we are face to face with apostolic Christianity in our own time.

Colonel Rusch is at the end of a thirty-six state tour begun last fall, and is on the threshold of his return to Japan to take up his life's work. His visit to Philadelphia has been arranged by the Diocesan Assembly of the Brotherhood of St. Andrew, with the Diocesan Women's Auxiliary, the Church Club, and the Laymen's League for Catholic Principles cooperating.

Colonel Rusch is foregoing any solicitation of funds for his work in connection with this visit and the offering this evening will be for Holy Trinity Church.

Please see that this invitation is extended to all the members of your congregation by announcement at your church services on April 16 and April 23. All clergy and laymen are invited, with their families, to hear Colonel Rusch's stirring call to spiritual arms.

The Christian Churches of the Philadelphia Area United in Service

March 29, 1950

Dear Friend of the Philadelphia
Council of Churches

I was delighted to hear from our Executive Secretary, William D. Powell, that you are now a delegate from your church to the Philadelphia Council of Churches. We trust that from this new relationship both you and your church will be greatly benefited. As we become better acquainted it is our hope that you will feel our work as a Protestant organization and voice in Philadelphia is well worth while.

There is another side of our work which is very much on my mind and heart, namely, its financial support. Although the purpose of your being a delegate is not at all financial, I am wondering, nevertheless, if you would not be glad to assist us (about the time of our annual meeting on April 18), in obtaining four or five new Council members within your own church. Membership, you know, does not mean a large gift - it really is a friend's tangible evidence of interest and it can quite easily be represented by either a \$2.00 or \$3.00, or \$5.00 or \$10.00 membership.

Feeling that you are now naturally interested in the work of the Council and would like to see your own church people more closely allied to it, I am enclosing five membership cards and trust you can make good use of them. It will be very encouraging if you can return these at the annual meeting, but if more convenient to do so before or after that event, they will be happily received. In order to give you a background helpful in presenting our program and needs, I am also enclosing a few of our recent folders.

Do not be discouraged if some of the people you approach are already members of the Council. We hope we have many friends in your church. But we know there are many more who could become members and we hope you can interest them in doing so.

Sincerely yours,

William M. David

WOMEN OF CHRIST CHURCH

March 16, 1950

Mrs. Schofield, president, welcomed the members. The opening prayer was omitted since the group had just attended Litany service.

The minutes of February 16, 1950, were read and approved.

Miss Pfluger read the treasurer's report, which gave a balance to date of \$500.83.

Mrs. Schofield said that criticism had been made regarding the payment of dishwashers. She explained again that this does not pertain to the Business Men's luncheons, but only to the dinners given or handled by the Auxiliary.

Mrs. Fishers of St. Marks Episcopal Church in ^{FRANKFORD} Germantown had contacted Mrs. Schofield, requesting help for serving at a luncheon for the Penna. Assoc. for the Blind. Four of our members were able to respond. Mrs. Schofield thanked them for their representation. She also thanked those who had helped during the Wednesday lenten luncheons.

A bill of \$52.00 has been received for refinishing the brass work in the church. This includes the baptismal pitcher. An estimate of approximately \$100.00 has been submitted for refinishing the large candelabra alongside the altar. The motion was made, seconded, and carried that this work be done.

A message was relayed from Mr. Mertz that the cushions around the altar rail are frayed. It was decided that Mr. Whidden be asked to get all available estimates of cost for their repair and submit them at the next meeting for consideration.

Reminder was made that the Ingathering of the United Thank Offering will be May 10.

It was voted at the February meeting that a donation be made to the Episcopal Hospital May Fete, the amount to be the same as last year. However, there is no record of such a donation. It was moved and seconded that \$10.00 be given.

A report from the Church School by Mail was read. This was in answer to the donation we had given them.

Miss Ennis reported that eleven surplices had been mended. It was moved and seconded that this work be continued, and that the dossel which hangs behind the altar be repaired.

The Business Men's luncheon will be held March 28. Volunteers are asked to serve.

The corporate communion for women will be held in our church at 8:00 A.M. on Saturday, March 25, and will be followed by breakfast. Reservations should be made by Wednesday.

The dinner for the Diocesan Girls Friendly Society will be held here Thursday, April 27. Sixty to ninety people are expected.

The passover supper will be held at 6:00 P.M. on Holy Thursday, April 6. The charge is \$0.75; reservations are necessary.

A letter was received from N. Lascelles-Ward, chaplain at Phila. General Hospital, requesting chocolate eggs and cigarettes for the patients. These can be obtained wholesale from Mr. Humphries. It was decided to donate \$5.00 worth.

Mrs. Jessum reported that she had received a good supply of labels this month, and that all labels must be turned in by the end of the month to be included in this season's count.

Mrs. Hendrickson spoke of St. John's Settlement House, and suggested we take more interest in it.

Miss Washburn suggested that five persons volunteer to attend monthly meetings of the five branches of the Women's Auxiliary, and report on these meetings at our auxiliary meetings.

Suggestion was made that a letter be written to the vestry requesting that the choir be vested. It was decided to consider this and discuss further at a future meeting..

Mrs. Schofield led the benediction and the meeting was adjourned.

Respectfully submitted,

Mrs. F. E. Feheley

My dear Mrs. Schofield:

At the next regular meeting of your Auxiliary, will you please be so kind, with the permission of your Rector, as to ask your ladies if they would care to send me Chocolate Eggs and Cigarettes for these poor patients at Easter-tide?

This is a large, growing, Charity Hospital with nearly three thousand patients.

I feel so sorry for them.

WOMEN OF CHRIST CHURCH

February 16, 1950

The business meeting of the Women of Christ Church followed a joint dinner with members of the Mikveh Israel Synagogue. Because of the lateness of the hour, the reading of the minutes of the last meeting and the treasurer's report were postponed.

It was reported that estimates have been received for refinishing the articles on the church altar. Since the total cost will be only \$48.00, some articles already have been sent. The expenditure was sustained.

Mr. Whidden was authorized to purchase a venetian blind for the Rector's office, the cost to be assumed by the Women.

Miss Ennis reported that she is having eight surplices mended. The cost is expected to be approximately \$30.00. It was moved and seconded that the Women will be responsible for payment. Motion carried.

Mrs. Proctor questioned whether or not Easter eggs will be sold at the Lenten luncheons. Mrs. Lea stated that Mr. Whidden has ordered the eggs, and the profit derived will be divided among the Sunday School classes.

It was moved and seconded that a donation be made to the Episcopal hospital, the amount to be the same as in previous years.

Because the records are not available now, a motion was sustained that Mrs. Schofield be permitted to make any expenditures she feels are necessary during this following month.

Mrs. Schofield suggested the remainder of the dishes used during the dinner tonight be left, and that help be hired to finish them tomorrow. This was agreed. She also suggested that in the future dishwashers be hired.

On behalf of the Women, Mrs. Schofield commended all those who had helped during the Mikveh Israel dinner, which was highly successful.

Help was requested for serving at the Business Men's luncheon, and at the Lenten luncheons. Mrs. Hendrickson discussed the latter, and asked that volunteers come about 10:30 A.M. on Wednesdays during Lent, and bring a desert. She said there will be no cooking nor dishwashing, and lunch will be provided.

The meeting was ajourned by Mrs. Schofield.

Respectfully submitted,

Mrs. F. E. Fehleley, Secretary

WOMEN OF CHRIST CHURCH

January 19, 1950

The meeting was opened with the Lord's prayer, after which Mrs. Schofield, president, welcomed the group.

The minutes of the previous meeting of November 17, 1949, were read and approved.

The treasurer's report was read by Miss Pfluger, showing a balance of \$348.32.

Reference was made to the fact that the Business Men's Association pays \$10.00 per month to the Womens Auxiliary for serving at their luncheons. Since the majority of the volunteers also are members of the Mary Volunteers, it was moved and seconded that one-half this amount, or \$5.00, be given to this group each month. The motion carried. The next Business Men's luncheon will be Tuesday, January 24.

The activities of the Mary Volunteers were explained by Mrs. Proctor, president. She invited participation by any interested Auxiliary members, and promised continued support of the Auxiliary by her group.

Correspondence was read which expressed appreciation for donations. This was from the Philadelphia Protestant Episcopal City Mission, the Seamen's Church Institute, and the Community Chest.

It was moved and seconded that the annual donation of \$30.00 be sent to the Penna. Branch of the Women's Auxiliary. The motion was carried.

Announcement was made of a dessert bridge for the benefit of the Episcopal Hospital of February 2. Individual donations are \$1.25, or \$5.00 per table. Mrs. Schofield suggested that we donate \$5.00 for one table, to be used by any of our members. The motion was made, seconded and carried.

Since next Sunday is Theological Sunday, it was moved and seconded that \$10.00 be placed in the offering for Virginia Theological Sunday. The motion carried.

Mrs. Schofield announced that the annual dinner with members of the Mikveh Israel Synagog will be held in the Neighborhood House on Wednesday, February 15. Since about two hundred persons are expected, all volunteers to serve are urged to contact Mr. Proctor.

The next meeting of the Women Of Christ Church is scheduled for Thursday, February 16. It is agreed to hold this meeting on February 15 instead, following the aforementioned dinner, for the convenience of the members.

Announcement was made that the Diocesan Girls Friendly Society plan to hold a dinner to be followed by a church service sometime in April, and would like to use our facilities and help. Mrs. Schofield suggested the Mary Volunteers serve the dinner, and the profit paid the Auxiliary will be turned over to them. Mrs. Proctor agreed.

Mrs. Schofield announced she had received the resignation of Mrs. E. Masterson as second vice-president, because she is now employed in the evening.

A meeting of Auxiliary presidents will be held January 31. Mrs. Schofield plans to attend, and invited any interested member to accompany her.

Mrs. Lea discussed the luncheons to be served every Wednesday during Lent. They will be prepared and served under the direction of Mrs. Lea and Mrs. Hendrickson, with the cooperation of any members who are able to volunteer.

Mrs. Schofield brought up for discussions the Thursday evening Lenten programs. In previous years, dinner and discussion were followed by the Litany service. It was agreed that the preparation and serving of a dinner would be too inconvenient for our members, particularly in view of the Wednesday luncheons. It was decided to serve refreshments, such as coffee and cake, during the discussion after the Litany service. Mrs. Baur will relay this message to the Rev. Mr. Baur for his approval.

Mrs. Jessum reported that the list of wanted labels for the wattle plan will be on the bulletin board.

It was pointed out by Miss Margaret Ennis that the Cross, vases and candelabra on the altar badly need refinishing. She asked whether the Auxiliary would assume the charge for this work, because the allowance given the Altar Guild is sufficient only for the laundering and repairing of the altar linens. Miss Ennis will get an estimate of cost for this work and submit it at the next meeting for further discussion.

Mrs. Gough reported that she had not received any word of the sewing which she was authorized to distribute among our members for the Episcopal Supply Committee. Mrs. Jones said there hasn't been much call for this work, especially since some Auxiliaries meet every week.

Mrs. Schofield questioned whether the Women would be willing to purchase a venetian blind for the Rector's office. Mrs. Wallace said she understood Mr. Whidden to say the Vestry intends to make this purchase. It was decided to await further developments.

Mrs. Jones announced that a belated birthday party in honor of Mr. Mertz will be held next Tuesday, January 24, by the Friendly Society and the Mary Volunteers. She invited everyone to attend.

Mrs. Schofield led the benediction, and the meeting was adjourned.

Respectfully submitted,

The City Mission in its various fields of work was so generously helped at Christmas by organizations and individuals throughout the Diocese that we feel we must make some acknowledgement, not merely in a very general way, but as far as possible directly to all persons and organizations who through us made Christmas a happier time for so many persons of all ages. You were especially helpful to our staff members working in the name of the Church at the Philadelphia General Hospital, Philadelphia State Hospital for Mental Diseases (Byberry), our All Saints' Hospital for the Treatment of Tuberculosis, persons in various homes for elderly people, our Family Service Department, Children's Department, Church Work Among the Blind, and the James C. Smith Memorial Home.

For this generous help we thank the Clergy of the Diocese, the members of parish Branches of the Woman's Auxiliary; the Girl's Friendly Society; and particularly the Department of Christian Education and the special committee of the Diocesan Woman's Auxiliary; and, if we may speak of one individual by name, Mrs. Lorin F. Blodget, who for years has given so much time and effort as Chairman of the Christmas Box Committee to this important work.

We are grateful, too, that it has been the privilege of the City Mission on behalf of the various groups in our Church named above to reach out to so many people whose Christmas was brighter because of such generous help.

WOMEN OF CHRIST CHURCH

November 17, 1949

Our president, Mrs. Schofield, welcomed the group, and invited the Men of Christ Church to remain through the business discussion. They accepted. The Reverend Mr. Baur led the opening prayer.

The minutes of the October meeting were read in brief, and approved.

The Treasurer's report was omitted because of Miss Pfleuger's absence.

Mrs. Schofield said that \$136.16 had been paid for plates previously ordered, as agreed at the last meeting. She also reported that she had purchased a pair of marquisette curtains for the Rector's office, costing \$2.39. This was approved. Mrs. Masterson is hemming the curtains.

Mrs. Schofield asked that we consider the purchase of venetian blinds for these windows, since the Rector's office is to be painted. This will be discussed further at a future meeting.

Appreciation was expressed by Mrs. Schofield for the cooperation given at the reception for Dr. Howe. The cost was \$2.00 for nuts and mints plus a small bill still to be rendered. All other foods were donated.

Mrs. Schofield read a letter received from Mrs. Kroman, in which she said they are happy in their new home, and rapidly becoming adjusted.

It was announced that Mrs. Jessum has gone to New England for a short visit, and that during her absence she hopes for the continued saving of labels for the Wattis Plan, particularly Oraline tooth paste.

It was decided that the same group of women will continue serving during the Sunday coffee hours.

An appeal was received from the organization branch of the Community Chest. After discussion, it was moved and seconded to donate \$10.00.

The Business Men's Luncheon to be held next Tuesday, November 22, will be a turkey dinner. Help for serving was requested.

Mrs. Schofield introduced the subject of the annual Bazaar, to be held December 2. It had been decided at a general meeting of church members that the various groups of the church would sell disconnected articles, so that the groups would not be in competition with one another. All proceeds will go to the church, excepting the profits of the Golden Age club. Mrs. Ellis explained this point. The Women will have the Sweet Corner. It was decided not to request donations from business concerns, since this is done for the Fair in the spring. Donations of home made goods were requested from our members.

Mrs. Jane Lea will take charge of the supper given during the Bazaar, in cooperation with Mr. Richard Proctor.

Mrs. Masterson explained the work of the newly formed Mary Volunteers and their present aim to provide gifts for the children of the Sunday School. She requested a donation to continue this work. It was moved and seconded that \$20.00 be given. Mr. Patterson suggested we approach the Business Men's Association for donations of toys to be used both for the Bazaar and the Sunday School. Mr. Baur agreed to do this.

The Reverend Mr. Baur led the closing prayer, and the business meeting was adjourned.

Most of the group remained to hear a short talk by Mrs. K. Roberts of Jenkintown, who spoke of her personal experiences in religion under the guidance of Sam Shoemaker, rector of Cavalry Church in Grammercy Park, N.Y.

WOMEN OF CHRIST CHURCH

October 13, 1949

The October meeting of the Women of Christ Church was held on the thirteenth of the month. After our president, Mrs. Schofield, thanked everyone for their attendance, the meeting was opened with the Lord's prayer and the Auxiliary prayer.

The minutes of the last meeting of May 18 were read. One correction was made; Marion Smith's title was changed from Mrs. to Miss. The minutes were then approved.

Miss Catherine Huber was thanked by Mrs. Schofield on behalf of the group for her past voluntary secretarial services.

Mrs. Schofield reported what money had been spent during the summer. This included: (1) \$54.50, The estimated amount for recovering chairs in the reception room of the Neighborhood House; approved by executive committee.

(2) \$31.25, for seven sterling silver bread and butter plates bought wholesale at Kine's Jewelers, and given to Mrs. Kloman as a farewell gift; approved by executive committee.

(3) \$26.77, for food served at the reception for the Kloman's; approved by executive committee.

(4) Remaining slip covers in the reception room of the Neighborhood House cleaned; authorized by Mrs. Schofield.

(5) \$50.00 from treasury voted by executive committee to be donated to the United Thank Offering.

The treasurer's report was given by Miss Pfleuger, who reported a balance to date of \$516.34, including \$22.00 contributed for the Kloman's gift.

Miss Bradford reported that \$108.11 was given to the United Thank Offering, totaling \$562.95; this was less than the 1948 contribution of \$594.08. The offering in the state of Pennsylvania was over \$112,000, and the total offering of the country was more than \$2,000,000.

Mrs. Schofield asked for suggestions for methods of collection of this offering. It was decided that Mrs. Jones would distribute mite boxes at the next meeting, and envelopes would be mailed in the Church folder.

Mrs. Jones announced the annual convention of the Church Women's Club would be held November 15.

Mrs. Jessum reminded everyone to continue saving labels for the Wattis plan. New lists of the wanted labels will be sent in the parish letter. She also told us she had received letters of thanks from Germany for soap received. These had been translated for her, and the recipients had been highly pleased. Mrs. Jessum also asked that she be reimbursed for expenditures involved in mailing labels. The motion to do so was made and seconded.

Mrs. Schofield introduced the subject (which necessitated calling this meeting early) of a dinner for the Welfare Conference of the Penna. Council of Churches, which last March we had agreed to prepare and serve, this fall. She reported she had not heard from, nor been able to contact, Rev. Smyth, chairman of the committee in charge of these arrangements. Now, however, without further consultation, we have been scheduled to serve a breakfast following 8:00 A.M. Holy Communion. It was determined that we do

not have enough women available at this hour to serve this breakfast. After discussion, it was decided to ask Rev. Baur to contact Miss Davis, secretary at the Dept. of Christian Social Relations, who would be familiar with the arrangements, and suggest that McAllister's Restaurant cater the meal; the delegates paying only McAllister's charge.

It was moved and seconded that we continue to support two scholarships to the Dept. of Christian Education, at \$3.50 each, including a Christmas gift, totaling \$7.00.

Mrs. Schofield announced that she had authorized Mr. Whidden to purchase a gross (148) plates bearing a picture of the church. The cost is \$136.16. It was moved and seconded that Miss Pfleuger be authorized to pay him.

It was reported that last year we donated \$5.80 to the Episcopal Supply Committee. Mrs. Jones explained that purchased are assigned to overseas hospitals, outlying posts, etc. It was moved and seconded that we donate \$5.00 to the purchase of ready mades, and Mrs. Gough volunteered to take charge of \$5.00 worth of sewing to be done by our auxiliary.

It was moved and seconded that we contribute \$15.00 to the Dept. of Christian Social Relations for Christmas boxes. We designated that \$5.00 each be given to the Episcopal Hospital, the Galilee Mission, and Seaman's Church Institute.

Volunteers were asked to help during the coffee hour during November.

Mrs. Schofield asked that all members think over criticisms or suggestions concerning the future plans of the church; these will be discussed at the next meeting, and sent in letter form to the Vestry for their consideration.

It was decided that a rummage sale should be held this fall, since too much material accumulates when only one sale is held per year, as was done last year. Mrs. Schickner volunteered to take charge, and the date for the sale was set for November 18th, the sorting to be done November 17th.

The next meeting will be held November 18th.

Mrs. Schofield told us that a faithful group is continuing to serve the Business Men's luncheons held on the fourth Tuesday of each month. Additional help is needed, and part time help will also be appreciated.

The cost of to-night's dinner was \$22.47, with an additional bill to be rendered of about \$5.00. \$26.00 was collected, so we were about clear.

After the benediction was pronounced, the meeting was adjourned.

WOMEN OF CHRIST CHURCH
May 18, 1949

The meeting was opened by a prayer offered by our President, Mrs. Schofield.

Minutes of the April meeting were read and approved.

Miss Pfleuger presented the Treasurer's Report showing a balance of \$396.27. From this report it was noted that some bills had been presented to the Treasurer and paid by her without authorization. Since all of these bills would have been approved, a motion was made that we sustain these payments. It was further understood and agreed that all future bills are to be presented and approved in meeting before payment is made.

Due to a change in Mrs. Smith's plans it was impossible for her to be with us this evening to tell about Christ Church Hospital, as previously announced. Dr. Kloman suggested that the Women of Christ Church sponsor a tea at the Hospital some time in the fall. It was further suggested that we have Mrs. Smith visit us at our meeting in September and that the tea be held some Sunday in October. This plan was approved by those present.

Mrs. Kloman reported that the Rummage Sale held on Friday, May 6, cleared approximately \$150.00.

Announcement was made that our contribution to the United Thank Offering was considered good.

Mrs. Jessum announced that she had enough soap to send a small package to one of the four churches in Europe which she had contacted. The need for soap was stressed. It was suggested that we send a check for \$10.00 to Mr. George Bertolet with the request that he make up four packages of soap to be sent abroad by Mrs. Jessum. This plan was approved and the Treasurer was authorized to make this payment.

Mrs. Schofield reminded those present that Tuesday, May 24, is the date of the Business Men's Luncheon and asked for new volunteers to take care of serving.

Reference was made to the Convention of the Pennsylvania Council of Churches which will be held in October, especially the dinner meeting on Thursday, October 27, at 6.30 P. M. As was previously announced it is understood there will be about 200 delegates present at the dinner which we have agreed to serve at \$1.50 per plate. It was agreed that Mrs. Lea be asked to take charge of preparing and serving this dinner. Mrs. Kloman was asked to contact Mrs. Lea and ascertain whether or not she can do this. It was further suggested that we call a special meeting in October so that plans and arrangements can be made to take care of the matter. This suggestion had the approval of those present.

An acknowledgment of our donation to the Church Farm School for Boys at Glen Lock was read.

The cost of refreshments for this evening's meeting was discussed and the following decision reached. The total cost of the tarts was \$10.07 and the Treasurer was authorized to send a check to Mr. Whidden for this amount. The sale of surplus tarts at cost brought in a total of \$2.52, which was turned over to the Treasurer. Thus the net cost was \$7.55.

Mrs. Jessum reported on the collection of labels. As we entered the Frankford Plan very recently and because very few labels were collected, there will be very little monetary reward on this. Mrs. Jessum reminded the group that she will be saving Wattis Plan labels throughout the summer and she requested the help of everyone in building up the volume.

Announcement was made that the Philadelphia Council of Churches has requested volunteers to work on the Friendly Visitor Project. Those who could help with this work were requested to see the Rector.

A communication from the Red Cross was read stating that Blood Donors are needed. Those who could give blood were requested to contact the Red Cross.

Mrs. Kloman was asked for a report from the nominating committee. After thanking the present officers for their services, she suggested that the following schedule be considered: That the officers consist of a President, First Vice President, Second Vice President, Secretary, and Treasurer. Officers to serve for a period of three years, the First Vice President to become President, the Second Vice President to become First Vice President, and a new Second Vice President, Secretary and Treasurer to be elected. On motion, the above plan was approved.

In view of the fact that Mrs. Schofield has already served two years as President, she has agreed to hold this office for one more year in accordance with the above plan. Other officers were suggested by the nominating committee as follows:

First Vice President - Mrs. Hendrickson
Second Vice President - Mrs. Masterson
Secretary - Mrs. Feheley
Treasurer - Miss Pfleuger

Those officers are to serve for one more year at which time an election as outlined above is to be held. On motion this recommendation of the nominating committee was also approved and those named were unanimously elected to office.

Mrs. Jessum suggested having a contact committee to seek helpers when volunteers are needed for various projects. This matter was discussed, but considered not quite feasible because of the fact that our congregation is scattered over so wide an area. No action

was taken on this matter.

Announcement was made that certain items in plastics can be bought by our organization and sold at a profit. No action was taken on this matter.

Mrs. Kloman suggested that we have some necessary repairs made to the furniture on the first floor of the Neighborhood House. Mrs. Kloman was authorized to get estimates on this work. It was further decided that the officers should constitute a committee to approve these estimates and order this work done.

After the closing prayer, the meeting was adjourned.

WOMEN OF CHRIST CHURCH

April 21, 1949

The meeting was opened with a prayer offered by our Rector,
Dr. E. Felix Kloman.

Minutes of the March meeting were read and approved.

The Treasurer's Report was read by Miss Pfleuger, who reported
a balance of cash on hand on March 31, of \$206.22.

Since more money will be coming in from the sale of plates, the
rummage sale and the Fair of Old Philadelphia, a motion was made and
carried and the Treasurer was authorized to pay the Diocesan Assessment.

Mrs. Kloman reminded us of the date set for the Rummage Sale,
Friday, May 6. She requested rummage and also asked for helpers.

It was announced that Sunday April 24, would be the last of the
Coffee Hours until fall.

Announcement was also made that Mrs. Hendrickson will represent
our group at the ~~Philadelphia Council of Churches~~. Christian Social
Relations and Christian Education Departments of the Women's
Auxiliary.

Mrs. Kloman explained that the curtain on the stage in the second
floor auditorium of the neighborhood house had been widened on both
sides. As it now meets with her approval, Mrs. Kloman suggested that
the bill be paid. On motion, the Treasurer was ordered to pay this bill
in the amount of \$85.00.

Announcement was made that Mrs. Smith will be at our May Meeting
to speak to us about Christ Church Hospital.

A Nominating Committee was appointed by Mrs. Schofield for the
nomination of officers to be elected at the May meeting. Those appointed
on the committee were:

Mrs. Kloman

Mrs. Ellis

Miss Schopp

The United Thank Offering was mentioned and members were urged to
bring in their offerings regardless of the amount. The point was stressed
that note is taken of the number of contributors rather than the amount
of individual contributions.

The Committee who served in preparing and serving the Lenten
Luncheons was highly complimented for their good work, the good food,
and the excellent service.

Mrs. Jessum reported that only five people had given soap for
the people of Germany and stressed the need for more. She also told us
that hospitals overseas are badly in need of soap and bandages. Mrs.
Jessum expressed her willingness to forward these items if members will
bring them in.

Mrs. Jessum stated that she had entered Christ Church in the Frankford-Unity Plan, which is similar to the Wattis Plan, but covers different brnads. She has only about 300 labels so far, and the current contest closes May 20.

As a result of her work on the Wattis Plan Mrs. Jessum was able to present a check in the amount of \$50.00, which was turned over to the Treasurer. She expressed the hope that through greater cooperation, and with some competition, a higher return might be realized next year. She suggested forming teams and requested 20 volunteers for team captains. Mrs. Jessum would like the team captains to take over the work of organizing, collecting and sending in wrappers next year.

Mrs. Jessum Sr. explained the forming of groups and stressed the idea of saving all labels during the summer. In appreciation of the hard work done by Mrs. Jessum Jr. and Sr., a rising vote of thanks was given by those present.

Mrs. Schofield reminded the ladies who had volunteered to serve at the business men's luncheon that this event takes place Tuesday, April 26.

Announcement was made of a Dessert Bridge Party to be held Thursday, April 28, at Christ Church Hospital. It was recalled that we gave a contribution last year. A motion was made and carried and the Treasurer was authorized to send a check for \$10.00 for this event.

Mrs. Schofield announced that The Pennsylvania Council of Churches will have a convention in the fall. There will be about 200 delegates present. There will be a dinner meeting on October 2, with a dinner served at 6:30. Mrs. Schofield was asked if our group would serve the dinner. This action and she took the liberty of accepting this responsibility for us. Mrs. (was sus-
Schofield said that she believed we could charge \$1.50 per plate and she (tained by
felt that we would thus have an opportunity to make a margin of profit. (those
(present.

The question of a donation for the Philadelphia Council of Churches was discussed and it was recalled that last year we gave \$25.00 for this work. On motion the Treasurer was authorized to send a check for \$25.00 as our donation for this year.

Announcement was made that we had received a request for a donation from the Church Farm School for Boys at Glen Lock. The Reverend Mr. Bauer told us something of the work done there among boys and how the project is supported. Although we have never contributed in the past, a motion was made and carried and the Treasurer was authorized to send a contribution of \$10.00 to the Church Farm School.

Announcement was made that volunteers would be needed to prepare and serve luncheon for the Fair of Old Philadelphia.

The Reverend Mr. Bauer pronounced the benediction and the meeting was adjourned.

Respectfully submitted,

Catharine Huber

Catharine Huber. Acting Secretary

WOMEN OF CHRIST CHURCH

March 17, 1949

Because of the fact that we had just attended a Litany Service in the Church, the opening prayer was omitted by Mrs. Schofield.

Reading of the minutes for the January meeting was held over until April.

The Treasurer's Report was read by Miss Pfleuger. The balance of cash on hand February 28, was \$193.72.

In response to a call for volunteers for hostesses for the coffee hour, the following members responded:

Mrs. Schickner - Mrs. Kloman - Mrs. Galleo

Mrs. Bradford read a letter from Mrs. Tilden regarding the United Thank Offering, and asked for renewed efforts from the women of the Parrish. Mrs. Bradford volunteered to be in church on Sunday, March 27, to distribute blue boxes to the women of the parrish. The point was made that these boxes should be kept for the purpose of accumulating the coins which we drop in from time to time to express our thanks for blessings, this money to be turned in when the call is issued twice each year. It was decided that envelopes would be mailed to each woman of the congregation and also placed in the pews at the time of each in-gathering. Announcement was made that the Spring in-gathering this year will be on Monday, May 9th, at 10:30 A. M., at St. Clement's Church, Bishop Hart officiating.

It was announced that on March 22, the Rt. Rev. Dom Augustine Morris, Lord Abbott of Nashdom, England, would be present at a service at Holy Trinity Church at 8 P. M. This service will be under the auspices of the Diocesan Altar Guild.

Episcopal Day for the Blind in the exhibit at Gimbel's was announced as Monday, March 21. A contribution from the Women of Christ Church was requested. On motion the Treasurer was authorized to send a check for \$10.00.

The question of the curtains on the stage in the second floor auditorium of the Neighborhood House was discussed. Mrs. Kloman requested that payment of the bill be deferred until she has inspected the work done and approved it.

Mrs. Schofield announced that a contribution had been requested for a Benefit Bridge ^{Party} for the Episcopal Hospital. This matter was deferred until the March meeting.

The question of contributions for the Christ Church Hospital's Bridge Party and Episcopal Hospital's Lawn Fete on May 25th was also discussed. These matters were deferred until the April meeting.

It was announced that the Philadelphia Council of Churches had requested a donation and this matter was deferred until the April meeting.

Penna. Branch of the Women's Auxiliary
The question of representation at the ~~Philadelphia Council of Churches~~ in the various groups was discussed. Particular mention was made of the Christian Social Relations and Christian Education Departments. Mrs. Hendrickson's name was suggested as a possible representative, and it was decided to ask her if she would take this responsibility.

There was a discussion concerning the sale of books of gummed labels containing names and addresses. These labels may be bought in books of 250 for 25¢ each and sold for 50¢ each. It was decided that the idea be tried and Mrs. Jones responded to a request for a volunteer to take care of the sale of labels.

Mrs. Schofield mentioned that she had been to two of the Lenten Luncheons and said that she had been very favorably impressed with the good food, good service, and reasonable prices.

Mrs. Bradford reported that the 75th anniversary of the Women's Auxiliary is to be held on May 2, 1949. She further stated that she knew there had been an organization known as the Ladies Missionary Society in Christ Church a hundred years or more ago, and that our organization was an outgrowth of this Missionary Society. The question was discussed and it was decided to get definite information on this matter and report it to the Diocesan Women's Auxiliary as a matter in which they might be interested. Mrs. Kloman stated that the information could best be obtained by Mr. Montgomery.

Mrs. Jessum reported that the Wattis Plan was progressing slowly, but said that we needed more cooperation to really make it pay. She distributed some hard-to-get items among the members present.

In response to a call for volunteers, the following agreed to help serve at the Business Men's Luncheon:

Mrs. Schickner	Mrs. Galleo	Mrs. Proctor
Mrs. Masterson	Mrs. Finegan	Mrs. Schofield

Mrs. Kloman expressed a desire to change the date of the Rummage Sale from April 29th to May 6th. This change was approved.

There being no further business the meeting adjourned.

Mrs. Jessum asked for more cooperation from members concerning the Wattis Plan, stating that the number of labels brought in was pitifully small.

DEPARTMENT OF MISSIONS
of the
WOMAN'S AUXILIARY
DIOCESE OF PENNSYLVANIA

The Department of Missions is made up of six Committees that try to keep the women of the Diocese informed of the current program in the Mission Field.

The Woman's Auxiliary in the Diocese was organized in 1874 when Bishop Stevens called together a group of interested women. At that time three missionary groups were already functioning; The Indians' Hope Association, the Freedmen's Committee, and the Ladies' Domestic Missionary Relief Association. These became the nucleus of the Woman's Auxiliary together with the Foreign Committee.

The Missionary work under the National Council is now divided into two fields; Domestic, containing all the work in Continental United States; and Overseas, that work outside the United States. In our Diocese the Domestic Field is covered by three Committees: - Domestic, Indian and Negro; while the Overseas Committee takes care of the Overseas Field. The money raised by these four Committees help the Diocese fulfill its pledge to the General Church program.

The Supply Committee sends special gifts of material goods and money to all the fields.

The Mission Shop provides an opportunity for the Missions at home and overseas to sell their products on assignment.

The delegates to the Committees are expected to take back the information they receive so that every parish will have an opportunity to know and to share in the program of the Church.

CALENDAR OF MEETINGS AT 10:30 a.m. AT THE CHURCH HOUSE
OCTOBER THROUGH MAY.

1st Wednesday - COMMITTEE ON NEGRO WORK.

The Freedmen's Committee grew out of the Auxiliary to the Freedmen's Commission organized in 1866 and becoming part of the Woman's Auxiliary in 1874, and continuing under this name until 1903. The title was changed several times until the present name was adopted in 1940. The purpose of the Committee is to promote and aid the program of the National Council for work among the Negroes in Continental United States, outside the Diocese of Pennsylvania.

2nd Wednesday - DOMESTIC COMMITTEE.

The Ladies' Domestic Missionary Relief Association was organized in 1868 and became part of the Woman's Auxiliary in 1874. As we have the two other specialized Committees in the Domestic Field, this Committee is only concerned with the white work in Continental United States.

(2)

3rd Wednesday - OVERSEAS COMMITTEE.

The Foreign Committee was organized when the Woman's Auxiliary started in 1874 and continued as such until 1928. Its field is now all missionary work outside Continental United States.

4th Wednesday - INDIANS' HOPE ASSOCIATION.

The Indians' Hope Association was organized in 1868 and became a part of the Woman's Auxiliary in 1874. It assists the program of the National Council for work among the Indians in Continental United States and Alaska.

SUPPLY COMMITTEE, Until 1920 when the National Supply Department was organized, each Committee was responsible for the Supply work in their particular field. At the present time, an assignment is received each year from the National Council to supply ready made articles, clothing and household supplies to some of our Missions and Hospitals. A central cutting room prepares the sewing material for the parishes which is sent out on request. Funds are needed for these items as well as the Supply Secretary's Gift Fund, which helps retired clergy and their wives to augment their pensions. Each parish should have a Supply Chairman to carry on this phase of Missionary Work.

MISSION SHOP. The Shop was organized in 1941 as an outlet for the sale of articles made by the Missions. In order to keep stock on hand, knitted articles and fancy work made by individuals and groups are also sold on commission. The profit is used for the traveling expenses of delegates to the Triennial and Provincial Meetings of the Woman's Auxiliary.
